| <b>Outcome / Benefit of the Programme</b> | Students became aware of the social need in working for the benefit of visually impaired people and towards their sustainable growth. |

## Programme Report

The National Service Scheme (NSS) organized a meaningful book sale event in collaboration with Kaniv Palliative Clinic, featuring notebooks created by members of the Blind Society. This initiative aimed to empower and support the visually impaired community by providing them with a platform to showcase and sell their handcrafted notebooks. The event was designed not only to highlight the skills and creativity of individuals from the Blind Society but also to raise crucial funds for their ongoing support and operations. The sale was a significant success, contributing to the smooth functioning of the Blind Society in Kadampazhipuram. By facilitating this opportunity, NSS underscored its commitment to inclusivity and community support, fostering greater awareness and providing valuable financial resources to enhance the lives of the visually impaired. The initiative exemplified the power of collaborative efforts in promoting social responsibility and empowering marginalized communities.

| <b>Outcome / Benefit of the Programme</b> | The drama and interaction with Dayabai raised the eco consciousness of the viewers.    |

## Programme Report

In August 6, NSS volunteers of Sreekrishnapuram V.T. Bhattathiripad College gathered for a thought-provoking drama screening centered around the life and work of the renowned activist and environmentalist, Dayabai. The event aimed to enlighten students about Dayabai's remarkable journey, her contributions to society, and the profound impact she had on the lives of many. Above all, it aimed to instil consciousness in the viewers of the drama. The programme will hopefully inspire the viewers to take part in programmes that aims at making a cleaner and more sustainable environment

| <b>Outcome / Benefit of the Programme</b> | Supported 15 underprivileged families by providing essential edible and non-edible items, helping them celebrate the Onam festival with dignity and joy. |

## Programme Report

The NSS units of Sreekrishnapuram V.T. Bhattathiripad College organized a compassionate initiative to distribute Onam kits to support less privileged individuals and families during the festive season. Understanding the significance of Onam and the challenges faced by those in need, the NSS volunteers prepared and distributed kits containing essential items to ensure a dignified celebration for the beneficiaries. The event was executed with meticulous planning and heartfelt dedication, reaching a total of 15 individuals and families. Each kit was thoughtfully assembled to include items that would help make the festive season more enjoyable and less burdensome. The successful distribution not only provided practical support but also brought a sense of community and festive cheer to those who might otherwise have struggled during this special time. This initiative exemplified the NSS's commitment to social responsibility and community service, reinforcing the spirit of giving and solidarity.

| <b>Outcome / Benefit of the Programme</b> | The surveyors engaged with individuals from diverse backgrounds, including various age groups and educational levels, to ensure a holistic understanding of the issue. |

## Programme Report

In accordance with directives from the local Panchayat, NSS volunteers from Sreekrishnapuram V T Bhattathiripad College undertook a detailed survey to evaluate employability issues within the community. The volunteers meticulously planned and conducted the survey using a combination of structured questionnaires and personal interviews. They engaged with individuals from diverse backgrounds, including different age groups and educational levels, to capture a comprehensive view of the employability challenges faced by the community. This thorough approach aimed to gather valuable insights into the barriers to employment and the needs of various demographic groups. The survey results are expected to inform targeted interventions and support initiatives, contributing to enhanced employment opportunities and economic development within the community.

## Programme Report

A heartfelt fundraising event was organized by the Daya Charitable Trust in collaboration with the NSS units of Sreekrishnapuram V T Bhattathiripad College to support Arush, a young individual facing significant health challenges. The event's primary goal was to raise funds to cover Arush's medical expenses, which had placed a substantial financial burden on his family.

The collaborative effort brought together students, community members, and local supporters, all united by a shared commitment to assisting Arush in his time of need. Through various fundraising activities, including donations, auctions, and community outreach, the event successfully garnered essential financial support.

The generosity and compassion demonstrated by the participants not only aimed to ease Arush's medical costs but also provided much-needed emotional support to his family. This initiative highlighted the community's dedication to coming together for a common cause, exemplifying the power of collective action in addressing personal and health-related challenges.

| <b>Outcome / Benefit of the Programme</b> | The fundraising programme was a huge success, and the collected amount (Rs, 25,000) was handed over to Daya Charitable Society. |

## Programme Report

As part of Karunya Viplavam Day, a heartfelt fundraising event was organized by Daya Charitable Trust in collaboration with the NSS units of Sreekrishnapuram V T Bhattathiripad College. The primary objective was to raise funds for the treatment of ailing patients in the Palakkad District. The event, marked by its spirit of compassion and community involvement, aimed to embody the theme of “a revolution through kindness.” Various activities and initiatives were undertaken to encourage donations and raise awareness about the pressing healthcare needs within the district. The participation of students, faculty, and community members highlighted the collective effort to make a tangible difference in the lives of those suffering from health issues. Through speeches, cultural programs, and interactive sessions, the event successfully conveyed the message of empathy and solidarity. The funds raised will go a long way in providing much-needed medical assistance to the underprivileged, exemplifying the power of kindness in bringing about positive change. This initiative not only addressed immediate healthcare needs but also fostered a sense of unity and responsibility among the participants.

## Programme Report

The NSS units of VTB College, in collaboration with Sreekrishnapuram Family Health Centre and Blood Bank, Mannarkad, organized a successful blood donation camp. The event saw enthusiastic participation from students and community members, resulting in the collection of 45 units of blood. This significant achievement underscores the collective commitment to supporting critical medical needs and highlights the effectiveness of community-driven health initiatives.

| <b>Resource person</b>                    | Sreekrishnapuram Family Health Centre  |
| <b>Date and Time</b>                      | October 25   |
| <b>Duration</b>                           | One Day  |
| <b>Beneficiaries</b>                      | Students and parents   |
| <b>Venue or Platform</b>                  | Sreekrishnapuram VTB College, Kadampazhipuram  |
| <b>Organizing dept./ Cell</b>             | NSS VTB Units  |
| <b>Coordinator</b>                        | Subha I N & Dr. G S Aravind  |
| <b>Associating Agency</b>                 | Sreekrishnapuram Family Health Centre  |
| <b>Outcome / Benefit of the Programme</b> | The programme promoted the good health practice of using menstrual cups instead of non-reusable and non-planet friendly sanitary pads. |

## Programme Report

In collaboration with Sreekrishnapuram Family Health Centre, a comprehensive educational talk was organized for the NSS volunteers, students, and parents on the advantages of using menstrual cups for personal hygiene. The session aimed to highlight the multiple benefits of menstrual cups compared to traditional sanitary pads.

The talk covered several key points, including the convenience, cost-effectiveness, and health benefits of menstrual cups. Participants learned that menstrual cups can be used for extended periods, reducing the need for frequent changes and disposal. This shift to menstrual cups not only enhances personal comfort and hygiene but also presents a more economical and environmentally friendly alternative.

Additionally, the discussion addressed the issue of disposal associated with sanitary pads, emphasizing that menstrual cups offer a one-time solution to this common problem. The program aimed to empower attendees with knowledge to make informed choices about their personal hygiene, fostering greater awareness and sustainable practices.

| <b>Outcome / Benefit of the Programme</b> | Cleared overgrown bushes and garbage, resulting in a significant facelift for the bus stop and surrounding area.                          |

## Programme Report

As part of the Sneharamam initiative by the Panchayat, the NSS volunteers of VTB College undertook a significant cleanup operation at the local bus stop waiting shelter and its surroundings. The area, previously marred by overgrown thorny plants and littered with beer bottles and plastic waste discarded by anti-social elements, was in dire need of attention.

The NSS volunteers, equipped with cleaning tools and a strong sense of community service, meticulously cleared the thorny vegetation and removed the scattered debris. Their efforts transformed the once-neglected area into a clean and welcoming space for commuters.

To ensure the area remained tidy, the volunteers installed two metal waste boxes, encouraging proper disposal of waste in the future. This proactive measure aims to maintain the cleanliness of the bus stop and discourage littering.

| <b>Outcome / Benefit of the Programme</b> | Provided relief from the scorching summer heat by building a false ceiling in Appu's room, improving his comfort and well-being. |

## Programme Report

Appu, a palliative care patient since a tragic accident in 2020, remains confined to his bed, unable to leave his room. The sweltering March heat only intensifies his discomfort, making his already challenging situation nearly unbearable. Recognizing Appu's dire need for relief, the compassionate NSS volunteers of VTB College embarked on a mission to improve his living conditions.

In a heartwarming and dedicated effort, the NSS volunteers initiated a series of fundraising activities to address Appu's plight. Understanding the impact of the oppressive heat on Appu's well-being, they aimed to secure funds to construct a false ceiling in his room. This construction was intended to reduce the heat, creating a cooler and more comfortable environment for Appu.

The fundraising campaign saw an outpouring of support from the community, with donations coming in from various sources. The collective effort of the NSS volunteers and the generous contributions from donors enabled them to quickly gather the necessary funds. The construction of the false ceiling was undertaken promptly, reflecting the volunteers' commitment to alleviating Appu's suffering.

This initiative by the NSS volunteers not only provided immediate physical relief for Appu but also demonstrated the profound impact of community support and compassion. The false ceiling significantly mitigated the oppressive heat, enhancing Appu's comfort and improving his quality of life. The volunteers' dedication and empathy brought much-needed respite to Appu, underscoring the importance of kindness and solidarity in the face of adversity.

| <b>Outcome / Benefit of the Programme</b> | Almost 100 patients benefited from the medical camp. Provided medical assistance to nearly 100 patients, improving community health and access to healthcare services |

## Programme Report

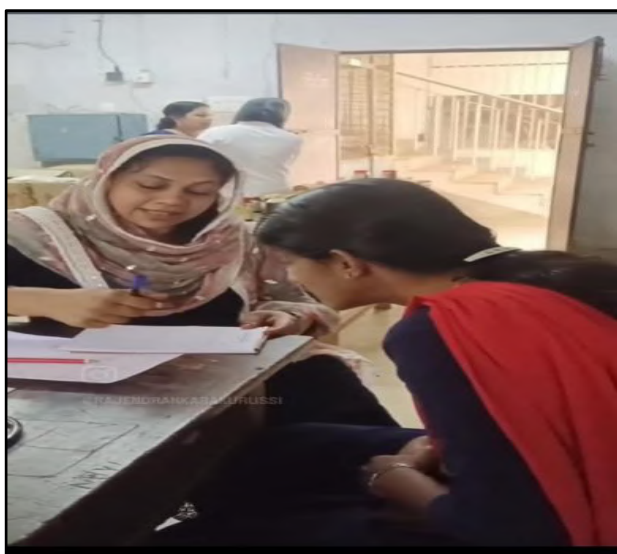

The NSS units 118 and 141, in collaboration with the Government Ayurveda Hospital, Karakkurishi, organized a highly impactful medical camp at Karakkurishi Government Higher Secondary School. This initiative was designed to offer free medical consultation and medications to the local community, addressing a crucial need for accessible healthcare services.

The camp saw an enthusiastic turnout, with numerous residents availing themselves of the opportunity for free medical check-ups. A team of experienced doctors and healthcare professionals from the Government Ayurveda Hospital provided comprehensive consultations, diagnosing various ailments and offering expert advice on treatments. Patients received personalized attention, ensuring that their health concerns were thoroughly addressed.

In addition to consultations, the camp also distributed free medicines to those in need. This provision was particularly beneficial for economically disadvantaged individuals who might otherwise struggle to afford necessary medications. By supplying these medicines, the camp helped alleviate the financial burden on many families, promoting better health and well-being in the community.

The event was not just about immediate healthcare needs; it also emphasized preventive care and awareness. Health education materials were distributed, and informative sessions on maintaining a healthy lifestyle were conducted. These efforts aimed to empower the community with knowledge to make informed health choices, contributing to long-term wellness.

| <b>Coordinator</b>                        | Subha I N &Dr. G S Aravind  |
| <b>Outcome / Benefit of the Programme</b> | The restroom complex, previously overgrown with plants and garbage, was successfully cleaned and restored.  |

## Programme Report

The Take-a-Break building complex, built by the Karakkurishi Panchayat, had fallen into a state of disrepair due to months of neglect. Overgrown with plants and plagued by garbage dumping, the complex had become an eyesore and a health hazard. Recognizing the need for action, the dedicated NSS volunteers of VTB College took it upon themselves to restore the complex to its former glory.

The clean-up operation was a comprehensive effort that involved planning and hard work. The NSS students began by clearing the overgrown vegetation, which had taken over large portions of the compound. Armed with gardening tools and a strong sense of purpose, they trimmed bushes, mowed the lawns, and removed invasive plants that had overrun the area.

Simultaneously, another team tackled the issue of garbage accumulation. Volunteers collected and properly disposed of the waste that had been irresponsibly dumped in the compound. This task was not only physically demanding but also essential for preventing potential health risks and restoring the aesthetic appeal of the complex.

Through their concerted efforts, the NSS volunteers transformed the Take-a-Break building complex from a neglected site into a clean and inviting space once again. Their work not only revitalized the physical environment but also renewed the community's sense of pride in their shared spaces. The success of this initiative underscores the impact of volunteerism and the importance of community engagement in maintaining and improving public amenities.

| <b>Coordinator</b>                        | Subha I N &Dr. G S Aravind  |
| <b>Outcome / Benefit of the Programme</b> | The NSS volunteers advised and helped households to make kitchen gardens and sensitised them about the importance of maintaining one for long term benefit. |

## Programme Report

The National Service Scheme (NSS) volunteers of VTB College undertook an impactful initiative to educate the community about the importance of maintaining kitchen gardens and reducing plastic usage. Recognizing that many households were unaware of the benefits of growing their own vegetables, the NSS aimed to spark interest and provide practical assistance to the residents.

Through this program, NSS volunteers visited numerous homes, sharing knowledge about the health, economic, and environmental advantages of kitchen gardens. In some instances, they went a step further by creating kitchen gardens themselves, demonstrating the ease and feasibility of such a project. Their hands-on efforts served as a catalyst for change, inspiring many families to start their own gardens and enjoy fresh, home-grown produce.

The enthusiasm generated by the volunteers' work led to a renewed interest in sustainable living among the residents of Karakurishi Gramapanchayat. The tangible benefits of kitchen gardening, combined with the volunteers' dedication, encouraged the community to embrace this eco-friendly practice.

In addition to promoting kitchen gardens, the NSS volunteers addressed the critical issue of plastic pollution. They crafted and distributed paper bags to households, underscoring the importance of minimizing plastic usage. These paper bags, made by the students themselves, were a practical and symbolic gesture towards reducing the community's reliance on plastic and fostering a more environmentally conscious mindset.

The program's success was evident in the positive response from the community. The NSS initiative not only educated residents about sustainable practices but also empowered them to take actionable steps towards a greener lifestyle. Through their commitment and creativity, the NSS volunteers made a lasting impact on the households of Karakurishi Gramapanchayat, promoting environmental stewardship and sustainable living.

| <b>Outcome / Benefit of the Programme</b> | We could make positive use of the wall of the school compound by beautifying it and spreading a worthwhile message. |

## Programme Report

The National Service Scheme (NSS) undertook a significant initiative to enhance community awareness about environmental pollution through an artistic and impactful approach. The NSS volunteers selected the compound wall of Karakkurishi Higher Secondary School as the canvas for their creative endeavour. This wall, previously overlooked by passers-by, has now been transformed into a vibrant and eye-catching centrepiece at the local junction.

The project aimed to highlight the dangers of plastic pollution and unscientific waste dumping. With meticulous planning and enthusiasm, the volunteers painted the entire length of the wall with compelling messages and vivid artwork that emphasized the importance of maintaining a clean and sustainable environment. The colourful illustrations and thought-provoking slogans serve as constant reminders of the pressing need to address environmental issues.

Before this transformation, the wall was largely unnoticed, blending into the background of the bustling area. However, the NSS team's efforts have not only beautified the space but also sparked curiosity and engagement among the community members. The wall now stands as a testament to the power of visual communication in promoting social change.

This initiative has been widely appreciated by the local residents, students, and school staff. The messages against environmental pollution have resonated deeply, encouraging individuals to adopt eco-friendly practices and contribute to a cleaner, greener community. The NSS's work at Karakkurishi Higher Secondary School exemplifies their commitment to social responsibility and environmental stewardship, making a lasting impact on the community's awareness and actions.

## Programme Report

In honour of our martyred brave-heart men and women, the "Meri Maati Meri Desh" program was conducted by Sreekrishnapuram V T Bhattathiripad College in collaboration with Ideal Arts and Science College, Cherupullassery. This event witnessed a grand rally with the participation of over 200 NSS volunteers from both institutions, showcasing a spirit of unity and patriotism. The campaign's primary objective is to pay tribute to our beloved Motherland and the courageous Veers who have made the ultimate sacrifice for our nation. This tribute is not limited to a single event but spans ceremonies conducted at various levels including Panchayat/Village, Block, Urban Local Body, as well as State and National levels. By engaging in such activities, the campaign strives to instil a deep sense of pride and respect for the sacrifices made by our heroes, fostering a stronger connection to our cultural and national heritage. This program serves as a reminder of the valour and dedication of those who have laid down their lives for our country's freedom and security.

## Programme Report

The Department of Sanskrit at Sreekrishnapuram V.T. Bhattathiripad College, Mannampatta, conducted a quiz and essay writing competition on **September 12, 2023**, and **September 13, 2023**. Sanskrit is also known as "the mother of all languages." The department celebrates **Sanskrit Day** every year, with the program featuring various activities and events related to Sanskrit and Indian culture.

On September 13, 2023, the Department celebrated Sanskrit Day by organizing two competitions for school students from the Palakkad District. The events included **Prasnottari** and **Upanyasa Rachana**, which were held for high school and higher secondary school students. Many students, teachers, and parents from several schools attended the event with great enthusiasm.

The essay writing competition was held in our Sanskrit classroom. The topic given for the essay was "चन्द्रंस्पृशदत्तभारतम्" (Chandraspṛśadabhāratam), which is related to Jyothi Shastra. Only one student from each school was allowed to participate in the competition. A total of nine students participated in the essay writing. The competition started promptly at 10:00 a.m., and the students were given one hour to complete their essays. Winners were awarded cash prizes, books, and certificates at the National Level Workshop organized by the Department in January 2024.

At 10:30 a.m., the Department held a Prasnottari quiz in the Seminar Hall, focusing on the Sanskrit language and current readings. Thirteen teams from schools in the Palakkad District, including GHSS Pattambi, GOHSS Perumudiyur, PTBHSS Adakkaputhur, and CGHSS Vadakkancheri, participated. Each team consisted of two students. The quiz covered general knowledge, Puranas, Kavyas, and Vedic literature. The event ended at 1:30 p.m., and attendees thanked the Department for organizing the activity. A lunch was also provided for the teachers and parents who attended.

## Programme Report

Ramayanamasa was celebrated by the Sanskrit Department of Sreekrishnapuram V. T. Bhattathiripad College with an array of academic events. On August 8, 2023, the Department conducted an outreach program called "**Sañjivani**" to promote therapeutic plants in the wake of Karkkidakamasa. The department's teachers and students worked together in a team environment. The pupils were tutored in Sanskrit by Dr. Parvathy K.P. HoD. The program was organized by assistant professor Dr. Sruthi P. A. The final-year students gave excellent performances of the program's presentations. A few of them used PowerPoint to construct a paper that they then gave to the Sanskrit students at Sreekrishnapuram Higher Secondary School. This creative strategy piqued students' curiosity in conducting research. Amritha K, Radhamani P, Anaswara K, and Vismaya C P were the student representatives from the institution. The subjects are enumerated below.

## Programme Report

On March 20, 2024, the Department of Economics & Foreign Trade at V T Bhattathirippad College organized a significant extension activity titled "Walk with Dignity - Donation of a Mobility Aid to Kanivu Palliative Care." This event was dedicated to supporting disabled individuals by donating a walker to Kanivu Palliative Care in Kadampazhipuram. Coordinated by Vijayalakshmi K K, the one-day event saw enthusiastic participation from the college community, reflecting their strong commitment to social responsibility. The primary objective was to enhance the mobility and quality of life for the beneficiaries, demonstrating the department's dedication to community service and support for those in need.

The initiative not only provided essential aid but also fostered a sense of solidarity and compassion among the participants. By donating the walker, the department aimed to make a tangible difference in the lives of the disabled individuals at Kanivu Palliative Care. This act of kindness highlighted the importance of supporting vulnerable members of society and showcased the college's role in promoting social welfare. The event was a testament to the power of collective effort in bringing about positive change and underscored the value of empathy and generosity in community engagement.

| <b>Outcome/ Benefit of the Programme</b>   | The event successfully introduced the app to the public, foster connections, and positively impact the lives of visually impaired individuals.                     |

## PROGRAMME REPORT

The software launch event, organized by Department of Computer Science, successfully introduced innovative apps designed to assist the visually impaired community. The event, held on December 20, 2023 brought together a diverse audience, including visually impaired individuals, Students of Sreekrishnapuram V T Bhattathiripad College Mannampatta, and industry experts. The students showcased five cutting-edge apps: Online Braille-Translator Developed by Jithesh .M, Braille-Translator GUI Developed by Greeshna P, Maths Tutor Developed by Roopasree A. P, Accessible Snakes and Ladders Developed by Archana.V. S. The Online Braille Translator is a web-based tool designed for converting text into Braille, prioritizing accessibility and user-friendliness. The Braille Translator GUI is an offline application designed for text-to-Braille conversion with a strong focus on accessibility. Accessible-Bluff is a web-based card game that relies on the skill of bluffing, replicating real-world gaming scenarios within the software. Accessible Maths Tutor is a wonderful tool that combines the enjoyment of gaming with the essential skill of mathematics. Accessible Snakes and Ladders” is a board game application designed to deliver the timeless enjoyment of Snakes and Ladders while prioritizing accessibility for all players.

The apps were developed with input from the visually impaired community, ensuring practicality and effectiveness. The event featured live demos, user testimonials, and a panel discussion on accessibility and technology. With over 100 attendees, the launch generated buzz, gathered valuable feedback, and established connections between the students, visually impaired community, and industry partners. The event demonstrated the potential of technology to improve lives and showcased the students' dedication to inclusive innovation.
