College Ground & Other Sports Facility

Sreekrishnapuram V T Bhattathiripad College ground typically serves as a central outdoor space within a college campus, designed to cater to various activities and events. College ground include sports facilities such as football (soccer) fields, cricket pitches and tracks for athletics. Our College ground often serve as venues for various events, including cultural festivals, outdoor concerts, academic fairs, and student orientations. These events contribute to the vibrant atmosphere and community spirit on campus. Beyond formal events, the college ground acts as a social hub where students gather informally between classes, during breaks, and after college hours. It's a place for friendships to form, group study sessions to take place, and for students to unwind and relax.
