Stock and Purchase

The stock and purchase management process in Sreekrishnapuram V T Bhattathiripad College library involves maintaining an organized collection of resources, including textbooks, academic journals, e-books, and multimedia materials. Effective management ensures that essential resources are available to support academic programs and student research needs. Library Advisory Committee Conduct regular evaluations to identify gaps in the collection based on curriculum changes, faculty input, and student requests then develop an annual budget that prioritizes purchases aligned with academic goals and program needs.
