Work Readiness Programme for Interview Skill

Title of the Programme	Work Readiness Programme for Interview Skill
Organizing Department/Cell	ASAP Club and Training and Placement Cell
Number of Students Enrolled	209
Name of the Resource Person	Sneha T, Master Trainer ASAP
Objectives of the Programme	To prepare participants with the necessary knowledge and confidence to succeed in job interviews.
Outcomes of the Programme	The outcome of the work readiness programme for interview skills is increased proficiency and readiness among participants, enabling them to effectively showcase their qualifications and secure employment opportunities.

Report

The Work Readiness: Interview Preparedness and Skill Development Program is a 15-hour module designed to provide direction to candidates to improve their interview skills and articulate their thoughts confidently in front of an interview panel. The module is inclusive of interview etiquette, presentation skills, and group discussions. The programme was rolled out by the Kerala Knowledge Economy Mission (KKEM), in collaboration with ASAP Kerala. The primary objective of KKEM is to guide the youth of Kerala so that they can directly engage in opportunities from across the world, creating employment for over 20 lakh people. As a first step, KKEM had conducted a series of physical job fairs. It was found that jobseekers lacked confidence and interview skills while presenting themselves before interview panels, and thus felt the need for proper interview grooming for jobseekers. In this context, KKEM decided to include work readiness programmes as a mandate to assist aspirants. The

trainees are required to register at Digital Workforce Management System (DWMS) for considering their candidature for placement drive conducted by KKEM.

It was conducted at College Campus for sixth semester UG students of Business Administration, Economics and Commerce and fourth semester PG students of Computer Science and Mathematics with Data Science on 11, 12, and 13th December 2023 (10.00 am to 3.30 pm). The inauguration of the programme was held at Seminar Hall on 11 December 2023 by Principal Dr. Saritha Namboodiri. IQAC Coordinator Dr. Sandeep Narayan, Training and Placement Coordinator Dr. Vivek S. A., ASAP Coordinator Dr. Remya S., felicitated the occasion. The programme came to an end successfully on 13 December 2023 with a feedback session and experience sharing by the trainees.
