Report

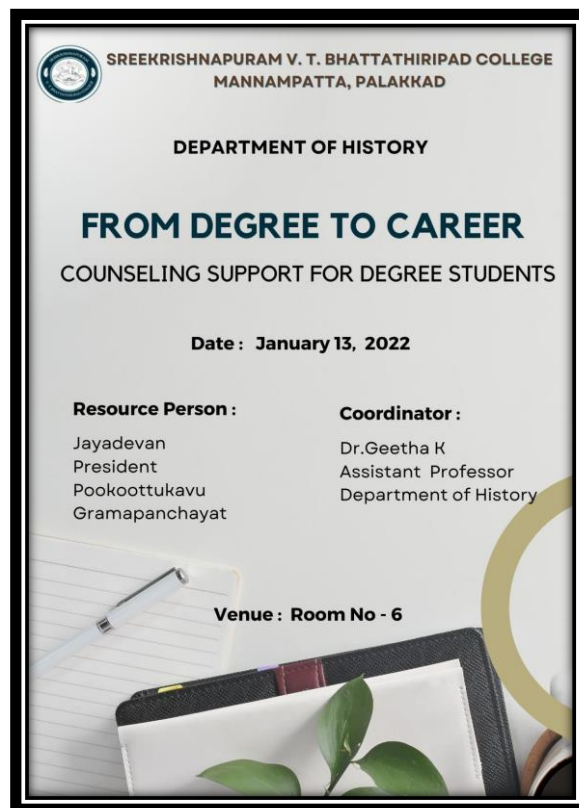

The program "From Degree to Career: Counseling Support for History Students" aims to provide guidance and resources to help history students successfully transition from academic studies to fulfilling careers. By offering comprehensive career counseling services, the program empowers students to explore their options, develop essential skills, and make informed decisions about their professional paths. The resource person of the program was Mr.Jayadevan, Panchayath President,

Pookottukavu and Dr. Geetha K, Assistant Professor and Head of Department of History, coordinated the programme.

The resource person outlined various career paths for history graduates, including roles such as educator, museum curator, conservator, museum educator, archivist, records manager, librarian, heritage manager, content creator, legal historian, and heritage tourism manager, each offering unique opportunities to apply their knowledge and skills in diverse fields related to history and culture. The programme empowered history students to explore diverse career paths and achieve their full potential. By bridging the gap between academia and the professional world, counseling services can help history graduates make a meaningful impact on society. The event significantly broadened the participants' understanding of the diverse career options available to history graduates, students reported increased confidence in their ability to pursue careers outside of the traditional academic path, with many expressing interests in fields such as heritage management, civil services, and journalism.

"From Degree to Career: Counseling Support for History Students" was a successful initiative that provided valuable career guidance and support to history students. The event not only helped students explore various career opportunities but also equipped them with the necessary skills and confidence to transition from their degree to a successful career.

Report on What Next Opportunities in Higher Mathematics and careers

Name of the Event	What Next Opportunities in Higher Mathematics and careers
Nature of the Event	Career Guidance
Objectives	To provide insights into advanced mathematical studies, research areas, and professional avenues for students and professionals interested in mathematics.
Resource person	Ms.Jia Rose Jhonson ,Research scholar, IT Madras.
Date and Time	26.03.2022
Beneficiaries	B.Com Students
Venue or Platform	College Auditorium
Organizing dept./ Cell	Department of Commerce and Management Studies
Coordinator	Bindu T, Assistant Professor, Department of Commerce
Associating Agency	
Outcome/ Benefit of the Programme	Attendees gained valuable insights into the academic and professional avenues in mathematics, helping them make informed decisions about their future studies and careers..

Report

Department of Mathematics, Sreekrishnapuram V T Bhattathiripad College, Mannampatta organised a webinar on “Opportunities in Higher Mathematics and careers” on 26-03-2022. The webinar was sponsored by Alumni Association. Dr.E,Jayan, Principal Sreekrishnapuram V.T.Bhattathirippad college, inaugurated the webinar.

The webinar aimed to explore the various opportunities available in the field of higher mathematics and the diverse career paths that students can pursue. The event was designed to provide insights into advanced mathematical studies, research areas, and professional avenues for students and professionals interested in mathematics.

Resource person for the webinar was Ms.Jia Rose Jhonson ,Research scholar, IT Madras. During the session she discussed about various institutions for Higher studies including IISC,IISER,TIFR,NIT,Central Universities etc. and the courses provided by all these institutions.Also discussed about areas related to Mathematics like Data science,AI,Statistics,computer science etc

The webinar successfully provided participants with a comprehensive understanding of the opportunities in higher mathematics and the various career paths available. Attendees gained valuable insights into the academic and professional avenues in mathematics, helping them make informed decisions about their future studies and careers.

The "Opportunities in Higher Mathematics and Careers" webinar was an informative and engaging event that met its objectives of educating participants about the potential of higher mathematics. The event was well-received, with positive feedback from attendees who appreciated the depth of knowledge and practical advice provided by the speakers.

The webinar ended with the Valedictory Session which was inaugurated by Mrs.Rashmi.M.P, HOD, Dept. of Mathematics, Sreekrishnapuram V.T.B College.
