Report on AI Career in Sanskrit

Name of the Event	AI Career in Sanskrit
Nature of the Event	Career Guidance
Objectives	To discuss how AI technologies can be applied to Sanskrit, creating opportunities for research, development, and innovation in fields such as natural language processing, linguistics, and cultural preservation.
Resource person	Dr.CM Neelakandan, Retired Professor, SSUC Kaladi
Date and Time	30.11.2022 & 10.00 am
Beneficiaries	BA Sanskrit Students
Venue or Platform	Seminar Hall
Organizing dept./ Cell	Department of Sanskrit
Coordinator	Dr. Parvathy, Head and Assistant Professor, Department of Sanskrit
Associating Agency	
Outcome/ Benefit of the Programme	The seminar successfully raised awareness among students, educators, and professionals about the potential of combining AI with Sanskrit studies. Many attendees, who were previously focused solely on traditional career

	paths in AI or Sanskrit, began to consider interdisciplinary roles that merge these fields.
--	---

Report

Department of Sanskrit conducted a seminar entitled as "AI Career in Sanskrit" on 30th November 2022 at Seminar Hall. The program started with prayer and continued with welcome speech by Dr. Parvathy, Assistant Professor, department of Sanskrit. The resource person of the program was Dr. Dr. CM Neelakandan, Retired Professor, SSUC Kaladi

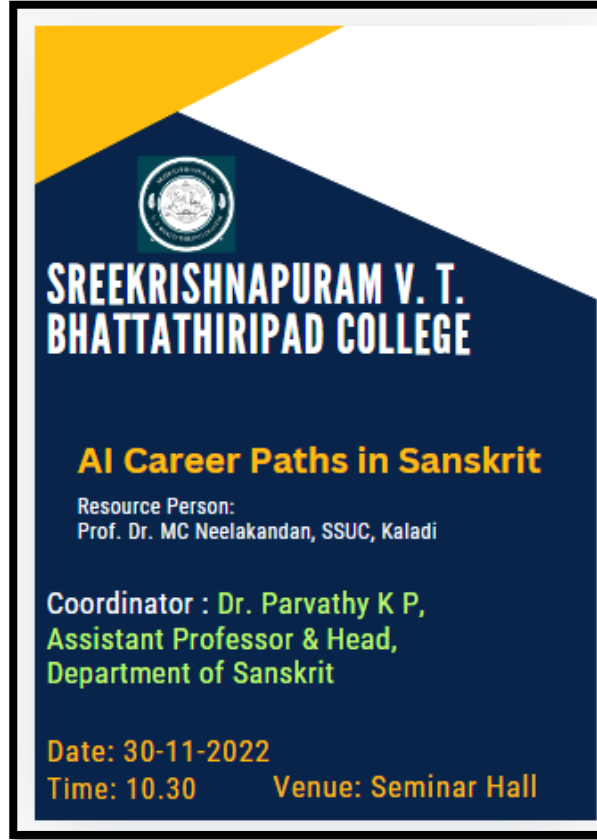

The seminar on "AI Career in Sanskrit" aimed to explore the intersection of Artificial Intelligence (AI) and the ancient language of Sanskrit. The event sought to provide insights into how AI can be leveraged in the study, preservation, and application of Sanskrit, opening new avenues for career opportunities.

The seminar began with an overview of the relevance of Sanskrit in the modern technological landscape. The speaker highlighted the potential of AI in processing and understanding Sanskrit texts, which can contribute to advancements in computational linguistics. The discussion covered various career paths where AI and Sanskrit intersect. Opportunities in academia, research, technology development, and content creation were explored. The seminar emphasized the growing demand for experts who can bridge the gap between traditional knowledge systems and modern technology.

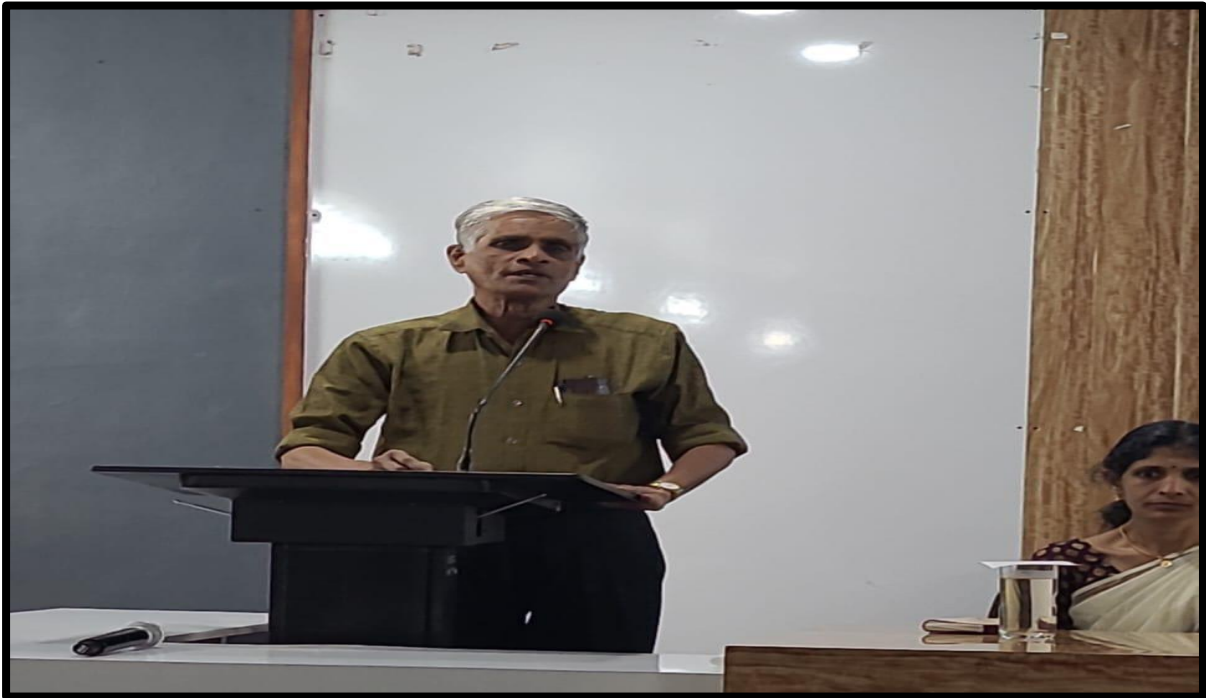

He elaborated on specific AI applications that can be used in Sanskrit studies. This included machine learning algorithms for translating Sanskrit texts, AI-driven tools for language learning, and the use of AI in digital humanities projects related to Sanskrit literature. The future prospects of AI in the field of Sanskrit were discussed, including the potential for developing new software and tools that can further enhance the study and use of the language. The speaker encouraged students and professionals to consider this niche but growing field as a viable career option. The seminar on "AI Career in Sanskrit" successfully introduced attendees to the unique opportunities that arise from combining the ancient language of Sanskrit with cutting-edge AI technologies. It inspired participants to explore this interdisciplinary field, which holds promise for both the preservation of cultural heritage and the advancement of AI research.

The seminar concluded with a vote of thanks to the organizers, speakers, and participants. It was agreed that the integration of AI with Sanskrit holds great promise for both preserving this ancient language and making it accessible to future generations. The seminar emphasized the importance of continued research and collaboration in this emerging field.

Report

The Department of Mathematics, Sreekrishnapuram V T Bhattathiripad College, Mannampatta, organized a webinar on "Career Opportunities in Mathematics" on March 29, 2023. The primary objective of the webinar was to enlighten students about the diverse career paths available in the field of mathematics and to provide information regarding higher education options.

The programme was inaugurated by Dr. E. Jayan, the Principal of Sreekrishnapuram V. T. Bhattathiripad College.

The first session focused on exploring the various career avenues open to mathematics graduates. Dr. Girish. K. P, Assistant Professor from MES Kalladi College served as the resource person. The session provided valuable insights into the numerous fields where mathematics plays a pivotal role, broadening students' perspectives beyond traditional academic paths. The resource person shared comprehensive information about different institutions offering higher studies in mathematics, aiding students in their academic planning.

He explained how mathematical models are used in financial markets, risk management, and investment strategies. He also highlighted the skills required for careers as a quantitative analyst, such as proficiency in statistical modeling, programming, and financial theory.

The seminar was a comprehensive and informative event that provided students with a deeper understanding of the wide array of career opportunities available to them in mathematics. It inspired students to explore both traditional and non-traditional career paths and to consider how they can apply their mathematical skills in various industries.

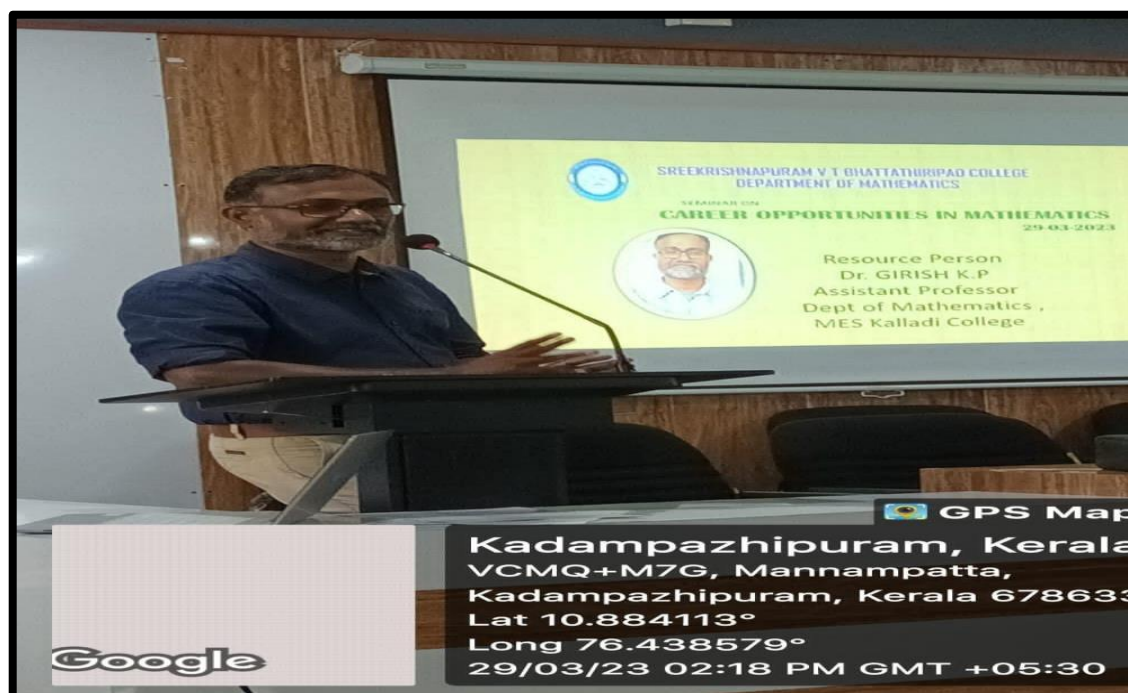

The programme concluded with a valedictory session graced by the presence of Mrs. Rashmi. M. P, Head of the Department of Mathematics, Sreekrishnapuram V. T. Bhattathiripad College. Her participation marked a fitting end to the informative event.

The webinar on "Career Opportunities in Mathematics" proved to be an enriching experience for the students. By showcasing the vast potential of mathematics as a career path, the event inspired and motivated students to explore higher studies and professional opportunities in the field. The college extends its gratitude to Dr. Girish. K. P for his insightful session and to Dr. E. Jayan and Mrs. Rashmi. M. P for their support and participation

Report on Vision 2K25: Career Pathways in Economics and Foreign Trade

Name of the Event	Career Counseling Programme for Economics with Foreign Trade: Vision 2K25
Nature of the Event	Career Guidance
Objectives	The program aimed to educate students about the long-term vision for the field of Economics with Foreign Trade, enabling them to understand future industry trends and requirements.
Resource person	Mohammed Shareef M, CEO, Aspirant Learning Academy.
Date and Time	27.01.2023, 10.00 AM
Beneficiaries	B A Economics with Foreign Trade students
Venue or Platform	Room No : E2
Organizing dept./ Cell	Alumni Association
Coordinator	Vijayalakhmi K, Assistant Professor, Department of Economics with Foreign Trade.
Associating Agency	Aspirant Learning Academy Pvt. Ltd.
Outcome/ Benefit of the Programme	Career counseling programme provided students with a comprehensive understanding of the evolving landscape of Economics with Foreign Trade and equipped them with essential practical skills.

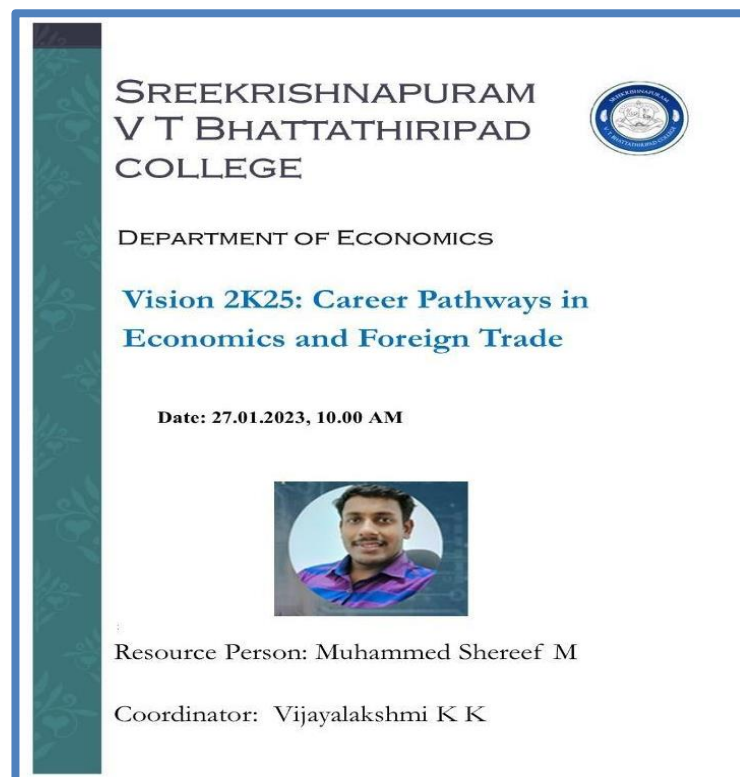

Report

Alumni Association organized a career counseling program on Vision 2K25 and Tally. Shri. Mohammed Sharif M, CEO of Aspirant Learning Academy Pvt. Ltd., was the expert speaker for the event. It provides a platform for students to explore diverse career paths within the field, understand industry trends, and develop essential competencies.

The program was inaugurated by Shri. Mohammed Sharif M, CEO of Aspirant Learning Academy Pvt. Ltd., and the welcome address was given by Vijayalakshmi K. V., Assistant Professor and Head, Department of Economics with Foreign Trade. The participants were students from the B.A. Economics with Foreign Trade program.

The resource person covered various important topics through interactive lectures and discussions, including an overview of career paths such as trade analyst, economic consultant, international business manager, and policy advisor, detailing the required qualifications, certifications, and skills for each. He also informed students about current trends in the global trade and economics industry and highlighted the importance of taking a Tally course for enhancing their skill set.

The career counseling program on career opportunities in economics with foreign trade was a significant success, achieving its goal of empowering students with the knowledge and skills needed to pursue successful careers in these fields. The collaborative efforts of the resource persons, coordinators, and students ensured the program's effectiveness and positive impact. This initiative reflects the college's commitment to supporting students in their professional development and career aspirations.

The poster is framed in blue and features a dark teal vertical bar on the left side. At the top left, the college name 'SREEKRISHNAPURAM V T BHATTATHIRIPAD COLLEGE' is written in bold black text. To the right of the name is the college's circular logo. Below the name, 'DEPARTMENT OF ECONOMICS' is written in a smaller black font. The main title, 'Vision 2K25: Career Pathways in Economics and Foreign Trade', is centered in a blue font. Underneath the title, the date and time 'Date: 27.01.2023, 10.00 AM' are listed. A circular portrait of a man with a beard, wearing a purple and blue patterned shirt, is positioned below the date. At the bottom of the poster, the text 'Resource Person: Muhammed Shereef M' and 'Coordinator: Vijayalakshmi K K' is displayed.

Outcome/ Benefit of the Programme	Seminar equipped students with the knowledge needed to make informed decisions about whether to pursue further education or start their careers immediately.

Report

The seminar titled "Pioneering Your Career Path: Exploring New Frontiers" was designed to inspire and guide participants in navigating the evolving landscape of career opportunities. The event brought together experts from various fields to share insights on how to proactively shape one's career path, explore new and emerging industries, and leverage personal strengths to achieve professional success.

The seminar began with an opening address by Ms. Bindu T, Assistant Professor, Department of Commerce, who emphasized the importance of adaptability and continuous learning in today's fast-changing job market. The resource person of the program was Mr. Ajmal Jaleel, Business Development Head Finprov Learning Private Ltd. The speaker outlined the seminar's objectives, which included, encouraging participants to think creatively about their career paths, and highlighting new and emerging career opportunities across various sectors.

The keynote speech was delivered by Mr. Ajmal, a distinguished career coach and industry expert. The speech focused on the theme of "Embracing Change and Innovation in Your Career." He discussed how technological advancements, globalization, and changing societal norms are reshaping the workplace, leading to the emergence of new industries and job roles and emphasizing the role of innovation. The speaker encouraged participants to actively seek out opportunities for creativity and experimentation in their careers.

The seminar concluded with a Q&A session where participants had the opportunity to ask questions and seek personalized advice from the speakers. The event successfully achieved its goal of equipping participants with the knowledge and skills needed to pioneer their career paths and explore new frontiers in the professional world.

The seminar was well-received by the attendees, who expressed their appreciation for the practical insights and actionable advice provided throughout the event. The organizers were commended for putting together a program that was both informative and inspiring, leaving participants feeling empowered to take charge of their careers.

Report on Global Opportunities: Study and Migrate

Name of the Event	Global Opportunities: Study and Migrate
Nature of the Event	Career Guidance
Objectives	The program aimed to empower students with comprehensive career guidance and support for successful study and migration plans.
Resource person	Mr. Raheem P A, Trainer, CanApprove, Perinthalmanna.
Date and Time	04.11.2022, 10.30 AM
Beneficiaries	UG Students
Venue or Platform	Seminar Hall
Organizing dept./ Cell	Department of Commerce and Management
Coordinator	Dr. Vivek S A, Assistant Professor, Department of Commerce and Management Studies
Associating Agency	Can Approve, Perinthalmanna, Malappuram.
Outcome/ Benefit of the Programme	The program empowered students to make informed study and migration decisions, increasing their chances of academic and professional success.

Report

The seminar titled "Study & Migrate" was organized as part of a career counseling program designed to guide students and professionals interested in pursuing higher education abroad and subsequently migrating for better career opportunities. The event provided

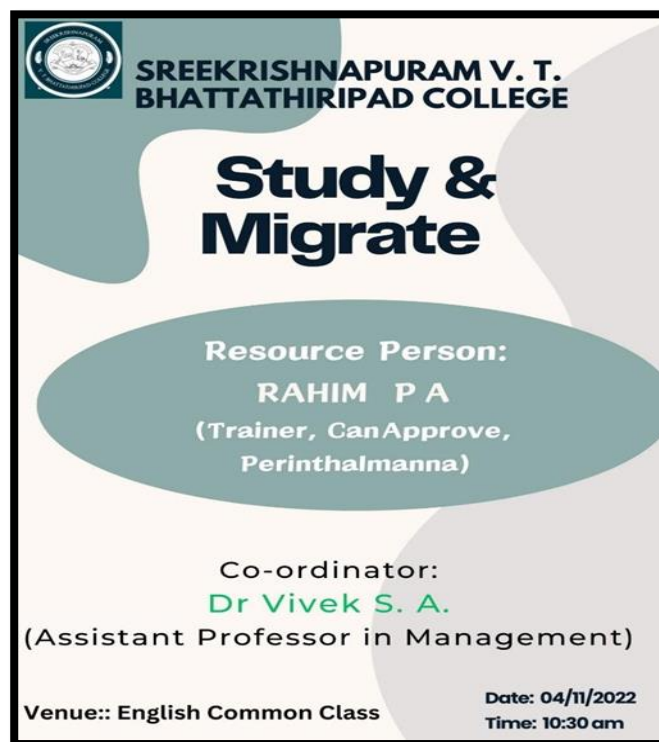

participants with essential information about studying in various countries, immigration processes, scholarship opportunities, and career prospects after graduation.

Career counseling program "Study & Migrate" offered by Can Approve immigration and overseas education service aims to assist students in making informed decisions about their study and migration plans.

The seminar commenced with a welcome address by Dr. Vivek SA, Assistant Professor, Department of Management, the event organizer. The address highlighted the importance of making informed decisions when planning to study and migrate, considering the significant financial and emotional investments involved. It was conducted on 4th November 2022 at 10.30 AM. P. Haridas, Associate Professor & Head, Department of Statistics inaugurated the programme.

Mr. Raheem P A, the expert counselor, provided in-depth guidance to students on selecting suitable academic programs. He offered valuable insights into the particulars of immigration policies and procedures. Additionally, he assisted students in developing effective financial plans for their studies abroad. His comprehensive support empowered students to make well-informed decisions about their educational and career paths.

CanApprove's Study & Migrate program has been a valuable resource for students seeking career guidance and immigration assistance. By addressing challenges and leveraging the program's strengths, Can Approve can further solidify its reputation as a leading provider of career counseling services.

Report On Achieve Your Goals: Career Counseling Roadmap

Name of the Event	Achieve Your Goals: Career Counseling Roadmap
Nature of the Event	Career Guidance
Objectives	The program aimed to enhance students' self-awareness, explore diverse career options, develop essential employability skills, and foster a supportive career exploration environment.
Resource person	Achuthanand G R, Alumnus, Computer Science.
Date and Time	29.03.2023, 10.00 AM
Beneficiaries	M Sc Computer Science students
Venue or Platform	Seminar Hall
Organizing dept./ Cell	Department of Computer Science
Coordinator	Dr. Saritha Namboodiri, Assistant Professor, Department of Computer Science
Associating Agency	Alumni Association
Outcome/ Benefit of the Programme	The Career Counseling Program empowered students with self-awareness, career clarity, essential job skills, and a supportive network, ultimately launching them towards successful career paths.

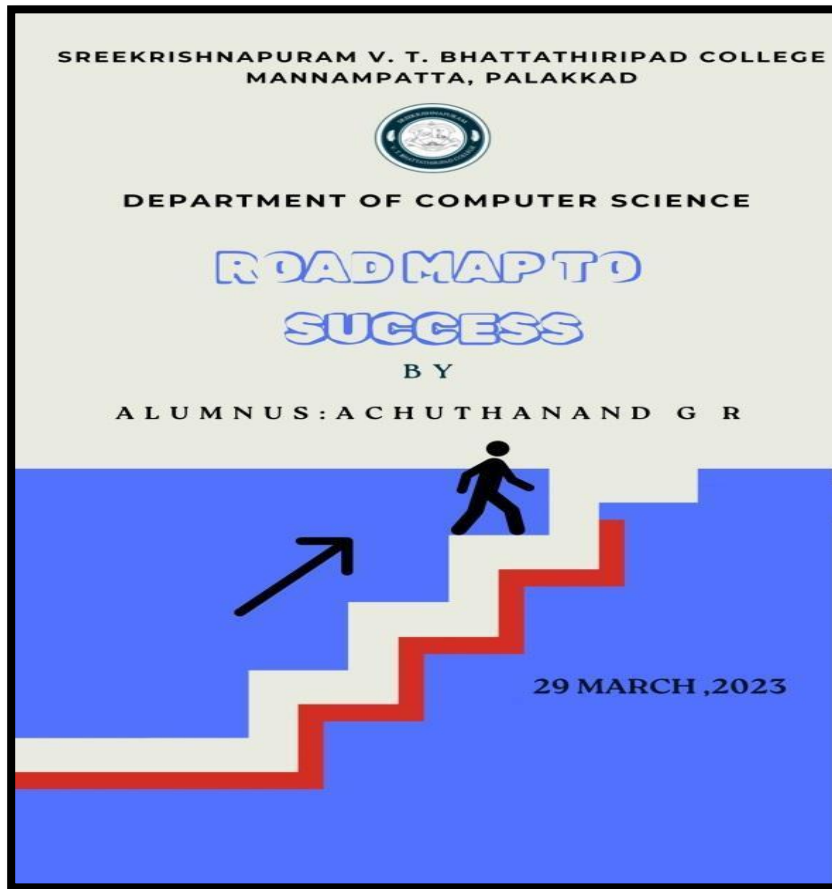

Report

Roadmap to Success is a comprehensive career guidance program designed to equip students with the tools and knowledge necessary to navigate their professional journey. It empowers individuals to make informed career decisions and achieve their full potential

The career counseling program commenced with a formal inauguration by Principal Dr. E Jayan. The program was presided over by Dr. Saritha Namboodiri, Associate Professor and Head, Department of Computer Science. P. Haridas , Associate Professor and Head, Department of Statistics, Bindu T, Assistant Professor and Head, Department of Commerce, and Ajay B Sankar, College Union Chairman, graced the occasion with their insightful addresses.

Achuthanand G R, a distinguished alumnus, conducted an insightful career guidance session on July 15, 2024. He shared his valuable experiences and expertise, providing students with a comprehensive understanding of the industry and its expectations. Achuthanand effectively addressed various aspects of career development, including resume building and interview skills. He also emphasized the importance of soft skills, adaptability, and continuous learning in the ever-evolving professional landscape. Through interactive discussions and real-life examples, Achuthanand inspired students to set career goals and develop a roadmap to achieve them. He also offered personalized advice and guidance, helping students to overcome their career concerns and doubts. By the end of the session, students gained a clearer understanding of their career paths and felt motivated to work towards their goals. Achuthanand's guidance and mentorship were greatly appreciated by the students, who found the session informative, engaging, and highly beneficial. His enthusiasm and willingness to help left a lasting impact on the students, inspiring them to achieve their full potential. The program was very effective and MSc Computer Science students have a wide range of career opportunities and it helps them to clear their doubts about future options.

Report Public Sector Careers: Exploring Opportunities and Advancements

Name of the Event	Public Sector Careers: Exploring Opportunities and Advancements
Nature of the Event	Career Guidance
Objectives	The programme aims to explore the different career paths available within the public sector, including opportunities in local, state, and federal government roles.
Resource person	Mr. Sushanth, Alumnus, Department of Mathematics
Date and Time	21.01.2023, 10.30 AM
Beneficiaries	Mathematics students
Venue or Platform	Seminar Hall
Organizing dept./ Cell	Department of Mathematics
Coordinator	Ms. Reshmi MP, Assistant Professor, Department of Mathematics
Associating Agency	Alumni Association
Outcome/ Benefit of the Programme	The Career Counseling Program empowered students would gain a clearer understanding of the various career opportunities within the public sector and the pathways to achieve them.

Report

The seminar on " Public Sector Careers: Exploring Opportunities and Advancements " was organized to provide insights into the diverse career paths available to mathematics graduates within various government agencies and public sector organizations. The event aimed to bridge the gap between academic knowledge and practical applications of mathematics in public service.

The main aims of the programme were to raise awareness among mathematics students and professionals about the various government roles that require strong mathematical skills, to offer guidance on how to prepare for and succeed in mathematics-related government jobs, and to provide a platform for participants to network with government officials, professionals, and recruiters.

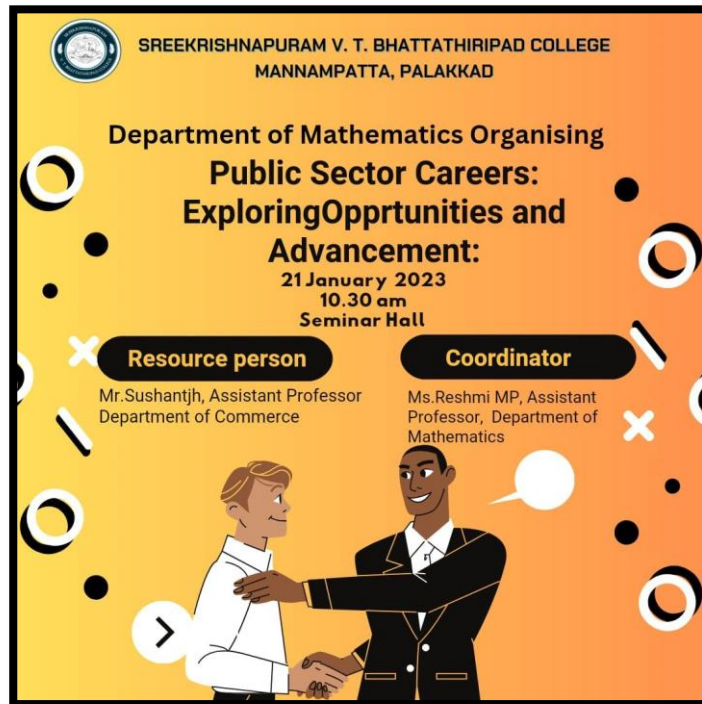

The seminar began with a keynote address by Mr. Sushanth KG, Assistant Professor, Department of Mathematics, PTM Govt College, Malappuram, a distinguished mathematician and government official. The speaker emphasized the importance of mathematics in solving complex problems related to public policy, economics, defence, and more. The address highlighted how mathematical skills are essential for data analysis, statistical modelling, and algorithm development in government projects.

He also emphasis on detailed information on the structure and content of competitive exams like the Civil Services Examination (CSE), Indian Statistical Service (ISS), and others where mathematics is a key component and recommendations for books, online courses, and coaching centres specializing in mathematics for government exams and case studies of individuals who have successfully cleared these exams and pursued rewarding careers in the government sector.

Students had the opportunity to engage with speakers during a Q&A session. Questions ranged from specific career paths to the practical applications of mathematics in government work. The session provided valuable insights and encouraged further exploration of the field.

The seminar successfully highlighted the vast opportunities available to mathematics graduates in the government sector. It underscored the importance of mathematical skills in various government functions and encouraged participants to consider public service as a viable and rewarding career option.

Report on Building a Career in GST: Pathways and Prospects

Name of the Event	Building a Career in GST: Pathways and Prospects
Nature of the Event	Career Guidance
Objectives	To provide students with a clear understanding of the career opportunities in the field of Goods and Services Tax (GST) and to equip them with the knowledge and resources necessary to pursue a successful career in this specialized area.
Resource person	Mr.Sahsranaman KV, GST Faculty, Transparent Academy
Date and Time	17.01.2023 & 1.30 pm
Beneficiaries	B. Com Students
Venue or Platform	Seminar Hall
Organizing dept./ Cell	Department of Commerce and Management Studies
Coordinator	Bindu T, Assistant Professor, Department of Commerce
Associating Agency	
Outcome/ Benefit of the Programme	Students gained a deeper understanding of the career opportunities in GST, including the different roles they can pursue and the potential for career growth in this field.

Report

The Department of Commerce organized an informative seminar titled "Building a Career in GST: Pathways and Prospects," aimed at providing students with a comprehensive understanding of the career opportunities available in the field of Goods and Services Tax (GST). The seminar focused on the growing demand for GST professionals and the skills and qualifications needed to succeed in this specialized area.

The seminar was conducted by Mr. Sahsrnaman K V, a seasoned GST consultant and Faculty at Transparent Academy, with over a decade of experience in taxation and financial advisory services.

He began by providing an overview of the Goods and Services Tax, explaining its role in the Indian economy and its impact on businesses across various sectors. He discussed how GST has simplified the indirect tax structure and the opportunities it has created for professionals in the field. The seminar highlighted the various career paths available in the field of GST, including roles such as GST consultant, tax advisor, GST accountant, compliance manager, and GST auditor. The speaker also discussed opportunities in corporate firms, consultancy agencies, and government departments. He also emphasized the importance of acquiring the right qualifications to build a successful career in GST. She discussed the benefits of pursuing certifications such as GST Practitioner Certification, Chartered Accountancy (CA), and Company Secretary (CS) with a specialization in GST. She also advised students on the best courses and training programs available.

The seminar underscored the importance of networking with industry professionals and participating in workshops, seminars, and conferences to stay informed about the latest developments in GST. He advised students to join professional bodies and online forums to enhance their knowledge and connect with peers.

The seminar concluded with an engaging Q&A session, where students asked questions related to career progression, the impact of AI and automation on GST jobs, and strategies for gaining practical experience. He provided insightful answers and his experience in the field of GST.

Overall, the seminar successfully met its objectives by providing students with the necessary knowledge and motivation to consider and prepare for careers in the field of GST. The seminar concluded with a vote of thanks by Ms. Vaishnaja, BCom final year student.

Duration	3 hrs
Beneficiaries	BBA Students
Venue	Seminar Hall
Feedback link (if collected online)	NA
Organizing Department/Cell	Department of Management
Coordinator	Dr. Vivek S.A., Assistant Professor and Head, Department of Mangement, Sreekrishnapuram V T Bhattathiripad College, Mannampatta, Palakkad.
Associating agency	NA
Outcome / Benefit of the Programme	The Programme will provide an opportunity for the participants to understand job opportunities in public sector.

Report

The Workshop titled “Step Hybrid Program” provided an awareness about the job opportunities in public service which include banking, RRB, SSC, PSC. The programme was presided by Dr. Vivek S.A., Assistant Professor and Head, Department of Management and inaugurated by Dr. E. Jayan, Principal, Sreekrishnapuram V T Bhattathiripad College. The

resource person for the workshop was Ms. Ardra S. Nair, Trainer, Rejuvesense Group of Institutions, Palakkad. The workshop helps to gain insights into exam patterns, preparation strategies, and career prospects and to discover how to navigate the competitive landscape effectively and enhance your chances of success. The programme got concluded with Vote of Thanks by Dr. Remya S., Assistant Professor, Department of Management.

Detailed guidance was provided on how to approach each of the exams, with specific tips on time management, study resources, and practice methods and the Step Hybrid Program was introduced as a comprehensive coaching package that combines traditional classroom learning with online resources to cater to the needs of aspirants.

The seminar concluded with an interactive session where participants had the opportunity to ask questions and clarify their doubts regarding public service exams and the Step Hybrid Program.

The seminar was well-received by the participants, who appreciated the detailed and practical advice provided by the speakers. Many attendees expressed a renewed interest in pursuing careers in the public service sector and acknowledged the value of the Step Hybrid Program in their preparation journey.

Report on CA & CMA - Professional Development Workshop

Name of the Event	CA & CMA - Professional Development Workshop
Nature of the Event	Career Guidance
Objectives	To give students a comprehensive overview of both CMA and CA qualifications, helping them make informed decisions about their career paths.
Resource person	Mr. Abu Thahir, CMA Faculty
Date and Time	12.01.2023
Beneficiaries	BBA & B. Com Students
Venue or Platform	Seminar Hall
Organizing dept./ Cell	Department of Commerce and Management Studies
Coordinator	Bindu T, Assistant Professor, Department of Commerce
Associating Agency	
Outcome/ Benefit of the Programme	Seminar equipped students with the knowledge needed to make informed decisions about whether to pursue further education or start their careers immediately.

Report

The Department of Commerce hosted a Professional Development Workshop aimed at providing B. Com and BBA students with detailed insights into three prominent career paths: Certified Management Accountant (CMA), Company Secretary (CS), and Chartered

Accountant (CA). The workshop focused on helping students understand the scope, requirements, and career prospects associated with each of these qualifications.

The workshop was led by Mr. Abu Thahir M, a distinguished CMA faculty member and seasoned professional with extensive experience in both CMA and CA domains. Mr. Thahir is known for his expertise in financial management and strategic planning and has been instrumental in mentoring students pursuing professional accounting qualifications.

He began by introducing the CMA and CA qualifications, explaining their origins, global recognition, and the governing bodies behind each certification. He provided an overview of the primary focus areas for both CMA (management accounting, financial analysis, and strategic management) and CA (accounting, auditing, taxation, and financial reporting). The workshop covered the eligibility criteria, exam structure, and duration of both the CMA and CA programs. He detailed the steps involved in becoming a CMA or CA, including the number of exams, subjects covered, and the types of skills tested in each certification. The workshop also included a section on how to prepare for the CMA and CA exams, he shared tips on study techniques, time management, and the importance of practical experience. He recommended resources, coaching programs, and study materials to help students succeed in their certification journey.

Following the presentation, the workshop included an interactive Q&A session where students asked questions about the challenges of pursuing CMA and CA, the balance between work and study, and the impact of these qualifications on long-term career prospects. And the speaker provided detailed answers and advice based on his experience in this field.

The session was highly appreciated by the attendees, who found the insights and advice invaluable for making informed decisions about their professional futures. The Department of Commerce plans to organize additional workshops to further support the career development of B.Com students.

Report on Career Counseling Programme: Career Planning After Graduation

Name of the Event	Career Counseling Programme: Career Planning After Graduation
Nature of the Event	Career Guidance
Objectives	The program empowered B. Com graduates to navigate their post-graduation career paths by providing insights into diverse opportunities, skill requirements, industry trends, and job search strategies.
Resource person	Mr. Arun VP, Career Educator, T I M E
Date and Time	19.01.2023, 10.00 AM
Beneficiaries	B.Com Students
Venue or Platform	Room No: 25
Organizing dept./ Cell	Department of Commerce
Coordinator	Ms. Sinu M, Assistant Professor, Department of Commerce
Associating Agency	
Outcome/ Benefit of the Programme	The Career Counseling Program on Career Planning after B.Com Graduation successfully enhanced students' awareness of diverse career opportunities, practical job search skills, and confidence in securing desired employment.

Report

The Commerce Department initiated an insightful seminar titled "Career Opportunities After B.Com Graduation" for the final-year B.Com students. The seminar aimed to explore the various career paths available after completing a B.Com degree and to provide students with guidance on how to navigate the job market and higher education options effectively.

The Career Counseling Program, titled "Career after B. Com Graduation," was held at the Seminar Hall of College on the 22nd of January 2024, at 10:00 AM. This program aimed to guide B. Com graduates through various career paths, providing them with valuable insights, practical advice, and strategies to plan and achieve their professional goals.

The program began with an inauguration ceremony held in the B. Com Classroom. The event was inaugurated by the Principal, Dr. Saritha Namboothiri and was attended by distinguished guests and faculty members.

The Career Counseling Programme covered an overview of various career paths such as Chartered Accountancy (CA), Company Secretary (CS), Cost and Management Accountancy (CMA), MBA, Banking and Finance, and Staff Selection Commission Exams. The speaker Mr. Arun VP, Career Educator of T I M E institute explained emerging fields like Digital Marketing, Data Analytics, and Entrepreneurship. He discussed the qualifications, certifications, skills needed for different career paths, current trends in the commerce and finance industry.

The programme provided a comprehensive overview of the various career paths B.Com graduates can pursue, including banking, financial services, corporate finance, auditing, taxation, and management roles in both the public and private sectors. and they also highlighted the value of pursuing additional professional courses and certifications to enhance employability.

The seminar was a great success, offering students valuable insights into the various career opportunities available after B.Com graduation. The guidance provided by the speakers equipped students with the knowledge and confidence needed to make informed decisions about their future careers.

Report on How to crack UGC NET

Name of the Event	How to crack UGC NET
Nature of the Event	Coaching for NET Exam
Objectives	To provide a focused review of the syllabus covered under Computer Science, M.Com and Mathematics papers for the NET exam
Resource person	Ms. Liji SK, Alumnus, Research Scholar
Date and Time	30/09/2023
Beneficiaries	PG Students
Venue or Platform	Seminar Hall
Organizing dept./ Cell	Department of Computer Science
Coordinator	Dr. Saritha Namboothiri, Associate Professor, Department of Computer Science
Associating Agency	
Outcome/ Benefit of the Programme	The coaching program provided students with a thorough understanding of the UGC NET syllabus and the specific requirements of the exam.

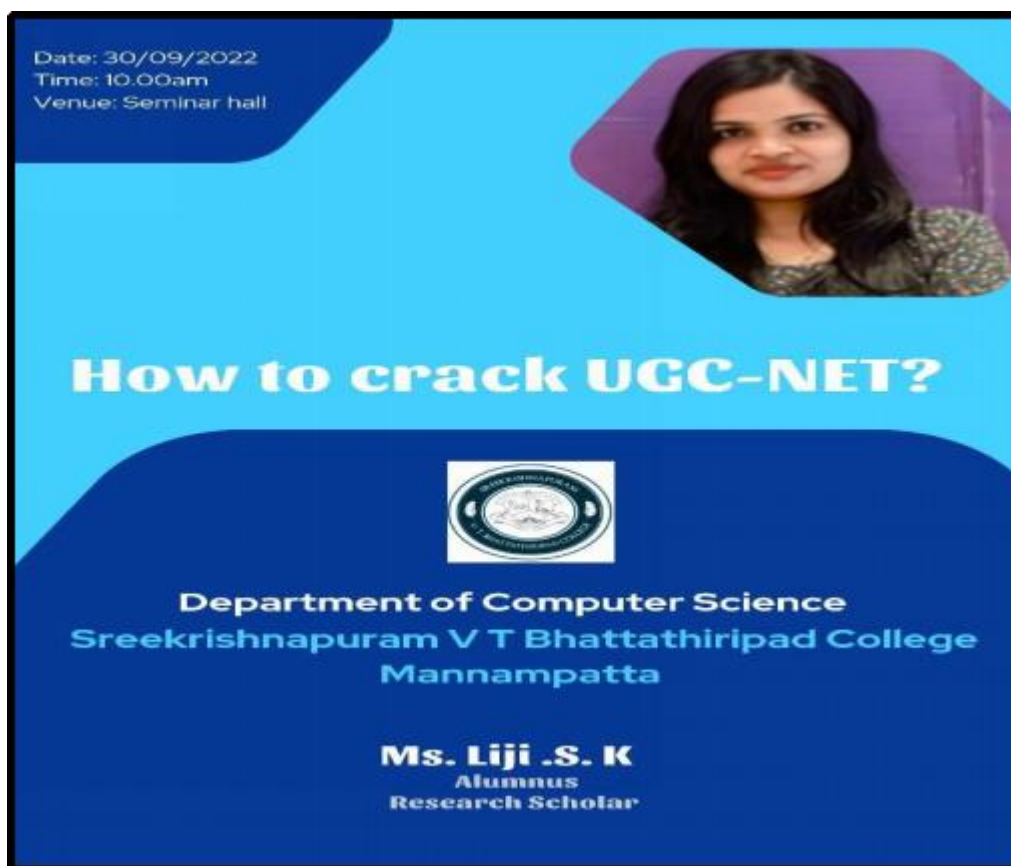

Report

The coaching Programme was led by experienced professional Ms. Liji S.K (M.Sc. Computer Science alumni). Ms. Anooja also handled one session on UGC NET General Paper. Sessions were very useful to the participants with comprehensive coverage of both Paper 1 and Paper 2 syllabi. As a result of this fruitful programme a participant, student

of M.Sc. Computer Science 2021-2023 batch Archana V.S. bagged UGC NET Computer Science and Applications in March 2023 exam.

The seminar titled "How to Crack UGC NET" was organized to provide students with essential strategies, tips, and guidance to effectively prepare for and succeed in the UGC NET (University Grants Commission National Eligibility Test) exam. The primary objective was to help students understand the exam structure, syllabus, and the best practices to enhance their chances of qualifying for this competitive exam, which is crucial for a career in academia and research.

Report on Coaching for Competitive Examinations

Name of Event	Coaching for Competitive Examinations
Nature of Event	Coaching
Objectives	To provide comprehensive training in mathematical concepts and problem-solving techniques that are essential for success in these competitive exams.
Resource Person	Ms. Akhila EV, Vishnupriya and Aparna Students of M. Sc Mathematics
Date and Time	20/02/2023 to 17/03/2023
Duration	22 Days
Beneficiaries	Sanskrit Students
Venue	Room No : 5
Feedback link (if collected online)	
Organizing Department/Cell	Department of Mathematics
Coordinator	Ms. Reshmi MP, Assistant Professor, Department of Mathematics
Outcome / Benefit of the Programme	Students reported increased confidence in handling the quantitative sections of the PSC exams.

Report

The coaching program titled "Coaching for Competitive Examinations" was organized by the Mathematics Department with the objective of enhancing the numerical and quantitative aptitude skills of students preparing for the Public Service Commission (PSC) exams. The program aimed to provide comprehensive training in mathematical concepts and problem-solving techniques that are essential for success in these competitive exams.

The coaching program spanned over four weeks, from February 20, 2023, to March 17, 2023. The sessions were conducted daily, focusing on different aspects of numerical excellence, including arithmetic, algebra, geometry, and data interpretation. The resource persons of the programme were MSc Mathematics students.

The main content of the programme was:

Arithmetic and Basic Mathematics

Algebra

Geometry and Mensuration

Data Interpretation and Analysis

The "Coaching for Competitive Examinations" program organized by the Mathematics Department was a resounding success. It provided students with the necessary tools and strategies to excel in the numerical sections of the PSC exams. The program's success highlights the importance of focused preparation and the value of departmental initiatives in supporting students' academic and professional aspirations.

The brochure features a teal and light blue color scheme with geometric shapes. At the top center is the college's logo. Below it, the text reads: "SREEKRISHNAPURAM V.T.BHATTATHIRIPAD COLLEGE MANNAMPATTA Reaccredited by NAAC with B+ Grade DEPARTMENT OF MATHEMATICS". The main heading is "COACHING CLASSES FOR COMPETITIVE EXAMINATIONS". Below this, it states "Last date for Registration:17/02/2023" and "Starts on: 20/02/2023". The coordinator's details are listed as "Coordinator Rashmi.M.P 9946221521 vtbmth@gmail.com". A right-pointing arrow icon is located at the bottom right of the text area.
