Outcome/ Benefit of the Programme	Students gained a deeper understanding of effective interview techniques, including how to structure their answers using frameworks like the STAR method (Situation, Task, Action, Result).

Report

The workshop was conducted at College Campus for sixth semester UG students of Economics on 28th October 2023 (10.00 am to 3.30 pm). The inauguration of the programme was held at Seminar Hall on 28th October 2023 by Principal Dr. Saritha Namboodiri. IQAC Coordinator Dr. Sandeep Narayan, Training and Placement Coordinator Dr. Vivek S. A., ASAP Coordinator Dr. Remya S., felicitated the occasion.

The primary objective of the seminar was to provide students with actionable insights and techniques to perform well in interviews. It focused on building confidence, improving communication skills, and understanding the nuances of the interview process to enhance employability. The seminar started with an overview of the different types of interviews – such as behavioral, technical, and situational – and how to prepare for each. Participants learned how to tailor their approach based on the type of interview and the role they are applying for.

The speakers emphasized the importance of thorough preparation, including researching the company, understanding the job description, and practicing common interview questions. Participants were encouraged to prepare a personal narrative that highlights their strengths and achievements. It was a great success, providing valuable insights and practical skills that will undoubtedly help participants ace their future interviews.

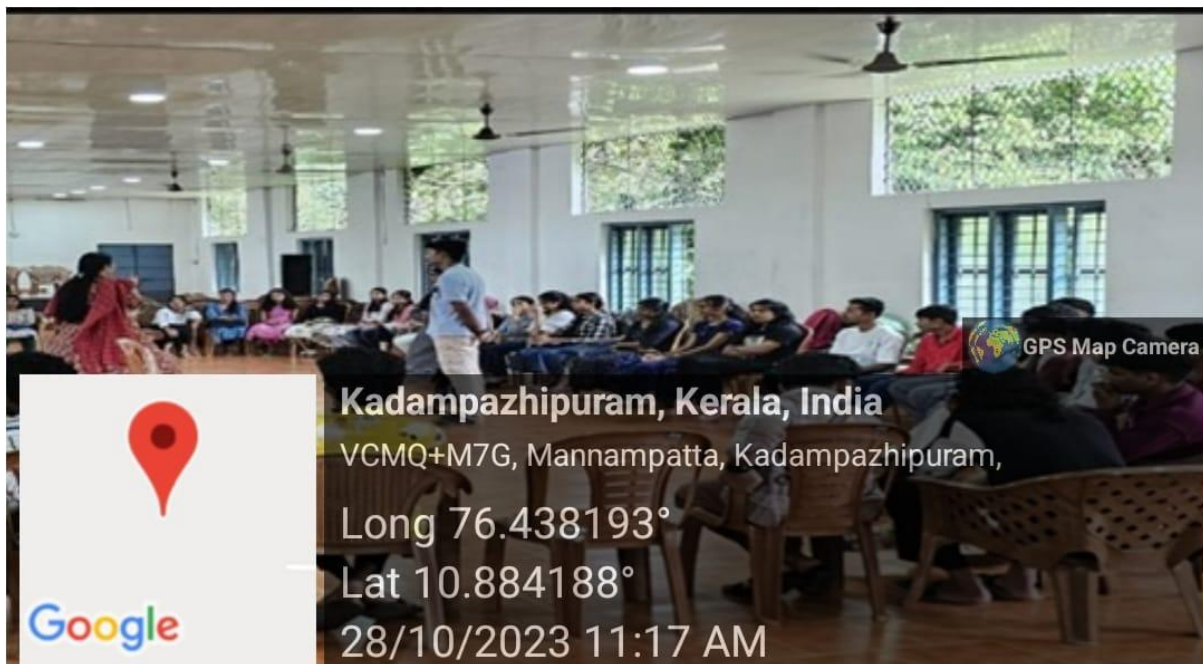

The workshop was well-received by participants, who left with a deeper understanding of the interview process and greater confidence in their abilities. The mock interviews were particularly praised for providing practical experience, and many attendees expressed that they felt more prepared for their upcoming job interviews.

The 'Professional Development: Ace Your Interviews' workshop successfully met its objectives, providing valuable insights and practical skills to participants. The event was a significant step in helping individuals enhance their interview performance and improve their chances of securing employment.

Outcome/ Benefit of the Programme	The program successfully equipped Sanskrit students with the knowledge and skills to explore and pursue careers in instructional technology.

Report

A career counselling program focusing on opportunities in instructional technology for Sanskrit students was conducted at the College Campus on the 12th of September 2023, from 10:00 AM. This program aimed to provide students with insights into the emerging career paths that blend Sanskrit studies with instructional technology, equipping them with the skills and knowledge to leverage technology in educational and professional settings.

The program began with an inauguration ceremony in the Seminar Hall. The event was officially inaugurated by the Principal, Dr. Saritha Namboodiri. Key resource person was Dr. C K Jayanthi, Associate Professor, SSUS, Regional Centre, Tirur.

The main objectives of the career counselling program were to inform Sanskrit students about diverse career opportunities in instructional technology, to provide practical guidance on the skills and qualifications required for these careers, to enhance students' understanding of how to integrate Sanskrit studies with modern technology, to equip students with tools and strategies for effective job search and career planning in the field of instructional technology.

The program was designed specifically for final-year Sanskrit students who are preparing to enter the job market and are interested in combining their knowledge of Sanskrit with instructional technology.

The program covered various important topics through interactive lectures, discussions, and practical exercises. Key topics included:

Overview of career paths such as e-learning developer, instructional designer, educational technologist, and content creator. Required qualifications, certifications, and skills for each career path, essential skills for professionals in instructional technology, including proficiency in e-learning tools, multimedia content creation, and understanding of instructional design principles. Tips for developing and showcasing these skills effectively. current trends in instructional technology and how they can be applied to Sanskrit studies, expectations of employers and how to meet them.

The program received positive feedback from participants, who found the information highly relevant and practical. Key outcomes included:

Students gained a comprehensive understanding of various career opportunities in instructional technology related to Sanskrit, the hands-on exercises and expert guidance boosted students' confidence in their ability to succeed in instructional technology roles, students felt better prepared to navigate the job market and pursue their desired career paths.

The career counselling program on Exploring Academic Career Opportunities in Sanskrit for Sanskrit students was a significant success, achieving its goal of empowering students with the knowledge and skills needed to pursue successful careers in this emerging field.

Report

Times Pro Institute organized a placement drive in Sreekrishnapuram V T Bhattathiripad College, which was focused on the logistics sector specifically for economics students on August 16, 2024. The drive attracted participation from leading companies in the logistics and e-commerce industries, including Amazon, DHL, Flipkart, FedEx, and Big Basket. The event aimed to provide economics students with opportunities to explore career options in logistics, a field that is growing rapidly and offers numerous roles aligned with their skill set.

The primary objective of the placement drive was to provide final-year students and recent graduates of Sreekrishnapuram V T Bhattathiripad College with employment opportunities and to facilitate their interaction with reputed companies from various sectors. The collaboration with Times Pro further ensured a professional and structured approach to the event, allowing students to present their skills and knowledge to top recruiters.

Participation of Leading Companies: Major industry players such as Amazon, DHL, Flipkart, FedEx, and Big Basket participated in the drive, offering positions in logistics, supply chain management, e-commerce, and more. 82 students from different streams attended the drive, showcasing their qualifications and enthusiasm to the recruiters. The selection process involved an initial screening, followed by interviews conducted by the respective company representatives. Shortlisted candidates were provided further instructions regarding onboarding and training.

Successful Placements: Several students were selected for various roles across the participating companies. This marked a significant milestone in the college's placement efforts, helping students transition from academia to industry.

The event also highlighted the importance of soft skills, as recruiters emphasized communication, teamwork, and adaptability during interviews.

Both the students and the recruiters appreciated the seamless organization of the placement drive. Times Pro and the Placement Cell played a crucial role in ensuring the success of the event, leading to a high number of job offers and positive engagement from the industry representatives.

The placement drive conducted on 16 August 2023 was a resounding success, creating promising career pathways for students. The collaboration between Times Pro and the Placement Cell of Sreekrishnapuram V T Bhattathiripad College was instrumental in the smooth execution of the event, reinforcing the college's commitment to supporting student career development.

Date and Time	24.11.2023, 9.30 AM
Beneficiaries	B.Com Students
Venue or Platform	Seminar hall
Organizing dept./ Cell	PG Department of Commerce
Coordinator	Ms. Bindu T, Assistant Professor, Department of Commerce
Associating Agency	
Outcome/ Benefit of the Programme	Students gained a clearer understanding of the distinct roles that CA, CMA, and CS professionals play in the corporate and financial sectors. This included an overview of the responsibilities, daily tasks, and impact of these professions on business operations.

Report

The introductory workshop on Chartered Accountancy (CA), Cost and Management Accountancy (CMA), and Company Secretaryship (CS) was organized to provide participants with a comprehensive understanding of these prestigious professional courses. The workshop aimed to guide students and aspiring professionals in choosing the right career path based on their interests, strengths, and career goals.

The programme was conducted on 24th November 2023 at Seminar Hall of the College at 9.30 am.

The main aim of the programme were to create awareness among participants about the CA, CMA, and CS courses, including their significance in the corporate world, to explain the course structure, exam patterns, and eligibility criteria for each of these professional qualifications, to provide insights into the diverse career opportunities available after completing these courses and to offer guidance on how to prepare for these courses, including study tips, resource recommendations, and exam strategies.

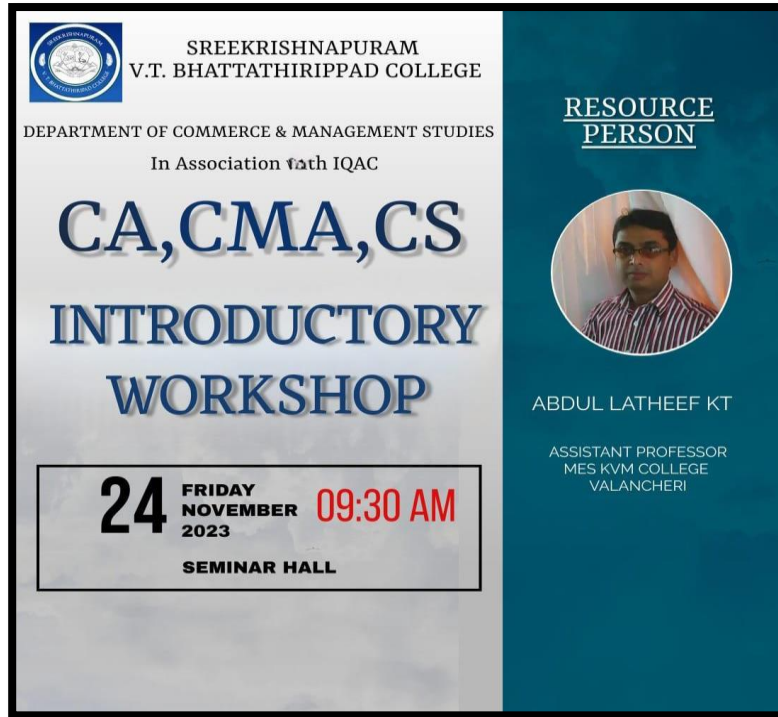

The event began with a welcome address by MS. Bindu T, Assistant Professor, Department of Commerce, who provided an overview of the objectives and significance of the workshop. The speaker emphasized the importance of professional qualifications in achieving career success in finance, accounting, and corporate governance.

He emphasized about the exam patterns for CA, CMA, and CS courses, including the number of papers, duration, and types of questions (objective, descriptive), recommendations for textbooks, online resources, coaching centers, and study groups to help participants prepare effectively and tips on how to manage time efficiently while balancing studies, work, and personal life, and also mentioned the strategies for overcoming common challenges such as exam stress, maintaining motivation, and handling difficult subjects.

Following the presentations, participants had the opportunity to ask questions and seek clarification on various aspects of the CA, CMA, and CS courses. The speakers provided detailed answers, helping students make informed decisions about their career paths.

The workshop concluded with a summary of the key points discussed throughout the day. The organizers emphasized the importance of choosing the right professional course based on individual interests and career goals. Students were encouraged to take advantage of the resources and support systems available to them as they embark on their professional journeys.

Report

The seminar titled "Pathways to Success in Finance and Accounting" was organized to provide students and professionals with insights into building successful careers in the finance and accounting sectors. The event featured industry experts who shared their experiences, knowledge, and advice on navigating the complex landscape of finance and accounting.

The Program was held at the College on the 8th February 2024, at 11:00 AM. The program began with an inauguration and was inaugurated by the Principal, Dr. Saritha Namboothiri.

The main aim of the programme was to educate students on the various career paths available in finance and accounting, to provide practical advice on how to succeed in these fields and to discuss emerging trends and the future of finance and accounting.

The keynote speaker Mr. Christy John, ADM of Inprox Institute explain the role of financial analysis and the importance of networking in finance and also discussed the various specializations within accounting, such as forensic accounting, tax consultancy, and auditing, and how each contributes to the overall financial ecosystem. He also covered the opportunities in public accounting and the future of finance. He discussed the role of chartered accountants in today's global economy and the steps required to pursue a successful career as a CA. His talk emphasized the importance of continuous learning and ethical practices in the field.

The seminar concluded with an interactive session, where students had the opportunity to ask questions and seek advice from the speakers. The discussions ranged from specific career challenges to the future outlook of the finance and accounting sectors.

The programme was a resounding success, with students leaving the event better informed and inspired to pursue careers in finance and accounting. The knowledge shared by the speakers provided a clear roadmap for students to follow as they embark on their professional journeys.

Report

In today's competitive academic landscape, early preparation for competitive exams can make a significant difference in achieving success. To address this need, Sreekrishnapuram V T Bhattathiripad College organized a comprehensive workshop titled "Preparing for Competitive Exams Early" in collaboration with T.I.M.E, Perinthalmanna, Malappuram. This workshop aims to equip students with the knowledge, strategies, and resources necessary to excel in various competitive exams. The programme was presided by Dr. Vivek S.A., Assistant Professor and Head, Department of Management and inaugurated by Dr. Saritha Namboothiri, Principal (i/c), Sreekrishnapuram V T Bhattathiripad College. The resource person for the lecture was Mr. Arun V. P. Coordinator - External Programmes, T.I.M.E (Triumphant Institute of Management Studies), Perinthalmanna, Malappuram. The objectives of the workshop are, to introduce students to the importance of early preparation for competitive exams, to provide insights into different competitive exams and their respective formats, to share effective study strategies and time management techniques, to offer guidance on selecting the right study materials and resources, to motivate students to set realistic goals and maintain a positive mindset.

The seminar was highly informative and well-received by the attendees. It successfully highlighted the significance of early preparation for MBA entrance exams and equipped students with practical strategies to excel in these competitive tests. The Department of Management Studies plans to conduct follow-up workshops and mock tests to further support the students in their preparation journey.

The programme concluded with a Vote of Thanks by Dr. Remya S., Assistant Professor, Department of Management.

Report

The UGC NET Coaching program was organized by the Commerce Department to help postgraduate commerce students prepare effectively for the UGC NET (National Eligibility Test) exam. The main objective was to provide specialized coaching focusing on the key areas of the UGC NET syllabus, thereby enhancing students' chances of qualifying for this prestigious exam, which is essential for a career in academia and research. The resource person of the program was Dr. Vinitha AS, Assistant Professor, Department of Commerce.

She provided a detailed coverage of key subjects like Business Environment, Accounting, Financial Management, Marketing Management, and Human Resource Management, sessions on important topics such as Corporate Governance, International Business, and Strategic Management, special focus on areas where students typically face challenges, including advanced accounting concepts and financial analysis.

Interactive sessions were held to address individual queries and clarify doubts related to complex topics, group discussions to enhance understanding through peer learning and exchange of ideas.

The feedback from the participants was overwhelmingly positive. Students appreciated the comprehensive coverage of the syllabus and the practical approach adopted by the instructors. Many students expressed that the coaching significantly boosted their confidence and preparedness for the UGC NET exam.

The UGC NET Coaching program organized by the Commerce Department was a highly successful initiative that provided valuable support to commerce students preparing for the exam. The department's efforts in organizing such a focused and student-centred program were well-received, and it is expected that many participants will go on to achieve success in the UGC NET exam.

Report

Department of Mathematics organized PSC Coaching for Sanskrit and History students. Resource persons for the programme were PG students of the mathematics department. The organizers took the initiative to extend their knowledge of analytical skills and competitive exam preparation techniques to students from other disciplines.

The primary objective of the PSC (Public Service Commission) Coaching session was to assist students majoring in Sanskrit and History in preparing for the PSC examinations. The coaching was aimed at equipping these students with the necessary

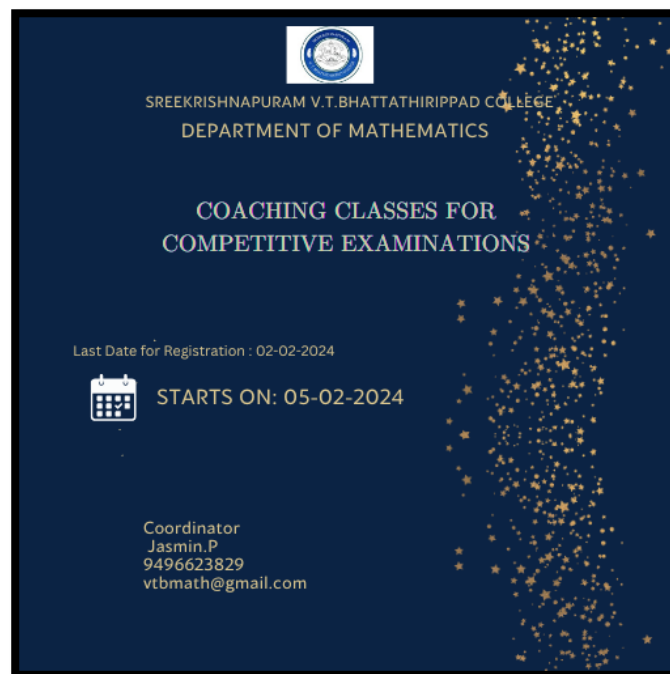

skills and knowledge to excel in the competitive exams, with a special focus on the syllabus relevant to their respective subjects. The coaching session was attended by students majoring in Sanskrit and History, who are aspiring to crack the PSC exams. The event saw active participation, with students eager to gain insights and guidance tailored to their specific fields.

They gave an overview of the PSC exams, including the structure, syllabus, and marking scheme. Although the session was for Sanskrit and History students, the PG Mathematics students provided tips on improving analytical reasoning, a crucial part of the PSC exams, techniques to tackle quantitative aptitude questions were also shared, with examples.

They provided details of recommended books, online resources, and study materials specifically tailored for Sanskrit and History PSC candidates and tips on time management, effective revision strategies, and stress management during preparation.

The PSC coaching session organized by PG Mathematics students for Sanskrit and History students was a successful and innovative educational event. It demonstrated the value of interdisciplinary collaboration in academic environments, providing students with a holistic approach to exam preparation.

Report:

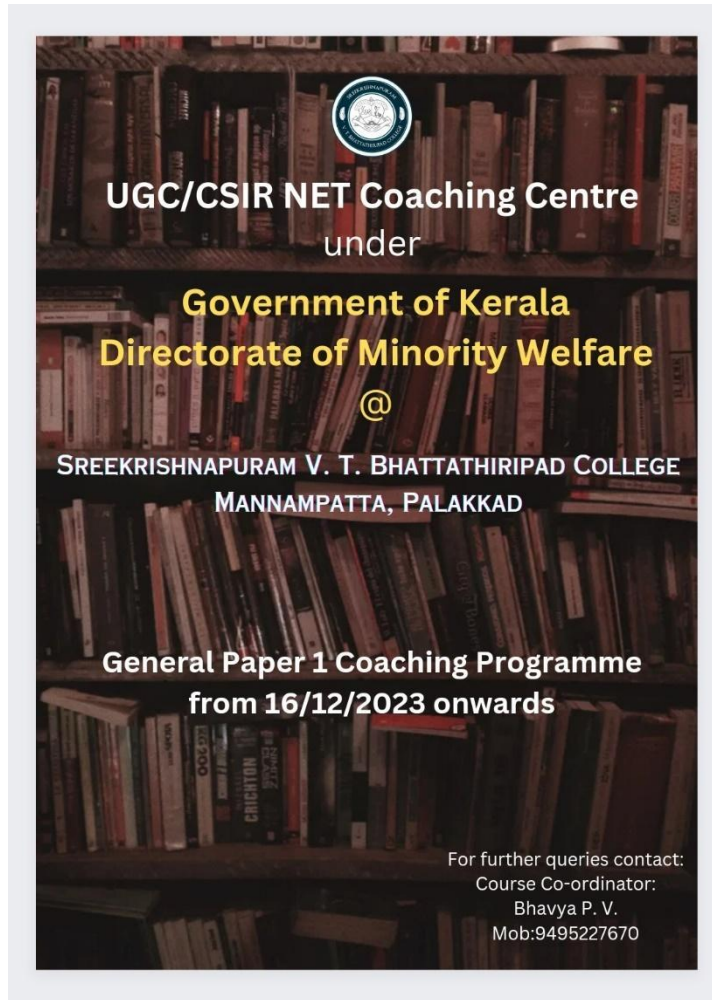

UGC/CSIR NET Paper I Coaching Programme initiated and funded by Minority Department, Government of Kerala started on 16/12/2023 at 9.30 am at Sreekrishnapuram V. T. Bhattathiripad College, Mannampatta. As per the instructions provided by Minority Department, Government of Kerala Sreekrishnapuram V. T. Bhattathiripad College center conducted UGC/CSIR NET Paper 1 coaching programme. As directed by the Department, center invited applications from eligible candidates with last date as 10/12/2023. Coaching programme was inaugurated by the Principal, Dr. Saritha Namboodiri. Classes were conducted from 16/12/2023 to 20/01/2024. Nine teachers from different disciplines handled the sessions. Images of sessions, list of teachers and students are attached bellow.

The coaching program was attended by postgraduate students from minority communities across Kerala, who were aspiring to qualify for the UGC NET exam. The program was designed to be inclusive, catering to students from diverse academic backgrounds and providing them with equal opportunities to succeed.

The NET Coaching program, sponsored by the Minority Department of the Government of Kerala, was organized to provide targeted support to students from minority communities preparing for the UGC NET (University Grants Commission National Eligibility Test) exam. The primary aim was to enhance the academic prospects of minority students by equipping them with the necessary skills and knowledge to qualify for the UGC NET, thereby opening up opportunities for careers in academia and research.

The NET Coaching program sponsored by the Minority Department of the Government of Kerala was a highly successful initiative that provided crucial support to minority students preparing for the UGC NET exam. The program not only enhanced the participants' academic capabilities but also empowered them to pursue careers in academia and research. The success of this initiative underscores the importance of targeted educational support programs for minority communities.
