Mr Swaroop, Member Indian Soft Baseball Team Member

Our Alumni are Members of Indian Tug of War Team (Women)

Alumni Association General Body Meeting

Our alumni also make their mark in various government and non-government organizations as well as multinational companies.

Our Alumni Association serves as a crucial pillar in the development and advancement of V T B College. The association is structured to encompass various departmental alumni groups, each contributing in their own capacity towards the institution's growth. Regular meetings are held to strategize and implement activities aimed at enhancing both academic and infrastructural facets of the college. These efforts are meticulously documented and executed in a timely manner, ensuring impactful outcomes.

Financially, our alumni generously support economically disadvantaged students through scholarships and endowments, developing academic excellence among the student community. They also facilitate career opportunities by providing placement assistance and internships, leveraging their professional networks for the benefit of current students. This symbiotic relationship between alumni and the college ensures

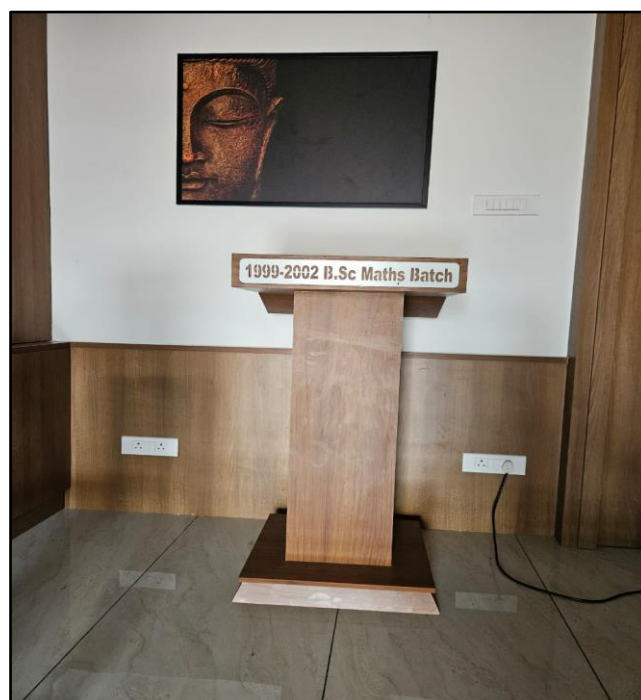

that our students receive holistic support, from academic guidance to practical industry exposure.

Moreover, alumni actively engage with V T B College by acting as resource persons in workshops, seminars, and career guidance sessions. Their real-world experience and insights enrich the learning environment, bridging the gap between academia and industry requirements. Alumni contributions extend beyond financial aid to include donations for infrastructural upgrades such as smart boards and displays, thereby modernizing our teaching facilities and enhancing the overall learning experience.

The association's impact is not limited to financial and academic realms; alumni also contribute to the cultural and sports development of the college. Their involvement in mentoring sports students and providing specialized coaching underscores their commitment to nurturing all-round excellence among the student body.

Department of Mathematics was incepted in the college during the year 1995. Initially the department was offering only an undergraduate program B.Sc Mathematics. The department was upgraded to a post graduate department and it now offers a PG program M.Sc Mathematics with Data Science. This webinar is our earnest endeavour towards academic excellence and progression.

Financial support: For Organizing seminars, Workshops, Career Guidance Classes and conducting Certificate courses.

Alumni contributes generously for organizing various seminars, workshops and career guidance classes for the students. Even though the strength of alumni is small compared to other big institutions, the contribution by the alumni is enormous and is useful for the development of the college.

Providing placement assistance for students in the form of consultancies and individual placement opportunities.

The institute is situated in a rural area and this possess challenges in the placement exercise of the institution. The students due to their rural background are weak in communication skills and language skills. As a result, they are often marginalised from mainstream job placements. Our alumni lend a helping hand to these students. The alumni provide job opportunities to the students in the firms where they are already employed. This is a stepping stone for rural students to build up their career through this starting experience.

OFFER LETTER

CSI/DEV/2022/011-009
Wednesday, 30 March 2022

To

Mr. Vishnu K
Kondathodikunnu HO
Vengassery PO
Ambalapara, Palakkad- 679516

Dear Vishnu,

We have pleasure in confirming our offer of employment as **Trainee Software Engineer** at CADS Software India (P) Ltd.

Date of joining
Your employment is effective from the date of joining, which shall not be later than **18th April 2022**.

Place of work
Your place of work is at our office located at Type II/5, Dr. VSI Estate, Rajiv Gandhi Salai, Thiruvanniyur, Chennai 600 041. The place of work is subject to change based on the organization business requirement, and in the interest of CADS India.

Probation
You will be on probation for a period of six months from the date of joining. The company may at its discretion, extend or reduce such probationary period subject to your performance. During the probationary period this appointment may be terminated without assigning any reasons, by either party on one month's notice or on payment of one month's salary in lieu of notice.

Confirmation
On successful completion of the probationary period there will be a performance review and your appointment may be confirmed, subject to satisfactory performance. You will also become entitled to the additional benefits which will be described in the Appointment Letter.

Retirement Age
The standard retirement age at CADS Software India (P) Ltd is 65 years.

Other work
Your position is a full time employment with this company and you shall devote yourself exclusively to the business of the company.
