Through these institutions, Sree Sankara Trust continues to uphold its commitment to educational excellence and social welfare, guided by the progressive values and philosophies of Jagadguru Sree Sankaracharya.

PROFILE OF THE INSTITUTE

Sreekrishnapuram V. T. Bhattathiripad College, a top-tier government-aided institution, is affiliated with the University of Calicut. Established in 1982, the college caters to the rural and less developed areas of Sreekrishnapuram in Kerala's Palakkad district. Named after V. T. Bhattathiripad, a pioneering figure in Kerala's social reform movement, the college aims to advance higher education. Managed by the Sree Sankara Trust, a charitable organization dedicated to the principles of Adi Sankaracharya, the college upholds the values of the renowned Advaita Vedanta philosopher and theologian from the Namboothiri community.

The college initially began as a junior college offering two pre-degree groups. It expanded in 1991 to include a degree program with a BA in Sanskrit. In

2001, it achieved first-grade status with the introduction of an M.Sc. in Computer Science. Today, the college offers six undergraduate degree programs and three postgraduate degree programs.

The college has been recognized for its quality and adherence to standards, being listed under sections 12(B) and 2(f) of the UGC Act 1956, as confirmed by letter No: F8-91/99(CP-P-1) dated 20-03-2000 from the UGC Secretary. Additionally, it received a B+ grade re-accreditation from NAAC in 2016.

Sreekrishnapuram V. T. Bhattathiripad College is dedicated to offering higher education opportunities to students in rural areas, aiming to promote academic excellence and instil social responsibility. Through its commitment to these principles, the college continues to play a significant role in shaping both educational and social environments in Kerala.

MOTTO

The Upanishad Mantra “तमसो मा ज्योतिर्गमय” (**Tamaso mā jyotirgamaya** - Lead me from the darkness of ignorance to the Light of knowledge) is the motto of our college.

VISION

"**Sreekrishnapuram V. T. Bhattathiripad College** e aspires to be a leading institution of higher learning, recognized for academic excellence, innovative research with a commitment to positive societal impact and empowering students to thrive in a dynamic global environment."

MISSION

PRINCIPAL'S DESK

We begin by honouring V. T. Bhattathiripad, whose vision continues to inspire us daily. His legacy drives our pursuit of excellence, a value we prioritize above all else. Our goal is to achieve success in both academic and non-academic arenas. Alongside excellence, we are committed to inclusivity, ensuring education is accessible to all, especially the socially and economically disadvantaged.

Our institution is founded on principles that emphasize community integration. This guides us to blend global perspectives with local actions, ensuring our relevance and impact within our surroundings.

At the Arts and Science College, these values shape our identity and drive our progress. We demonstrate this through our academic offerings, community engagements, and the inclusive environment we cultivate on campus.

Excellence and inclusivity define our mission as we continue to expand, dedicated to providing high-quality education and support to every student. Our journey is a tribute to collective effort and the enduring influence of V. T. Bhattathiripad. We aim to honour his legacy by achieving new heights and creating meaningful impacts.

Best Wishes

Dr. E. Jayan

IQAC COORDINATOR DESK

The module covers interview etiquette, resume preparation, presentation skills, group discussions, job-related Q&A, and soft skills.

This programme was launched by the Kerala Knowledge Economy Mission (KKEM) in collaboration with ASAP Kerala. The primary objective of KKEM is to guide the youth of Kerala, enabling them to engage in global opportunities and create employment for over 2 million people.

Initially, KKEM conducted a series of physical job fairs and observed that jobseekers lacked confidence and interview skills. This highlighted the need

for proper interview grooming. Consequently, KKEM mandated the inclusion of work readiness programmes to support jobseekers.

Trainees are required to register with the Digital Workforce Management System (DWMS) to be considered for placement drives conducted by KKEM.

NATURE CLUB (NARMADA) - INITIATIVES

The Earth has enough resources for our need but not for our greed.” This is the great saying of our father of Nation, Mahatma Gandhi. This nature has reserved everything that every man needs but has nothing in this earth to feed his greed. These are very relevant words in the contemporary context of the world. Narmada Nature Club is a club working in the college with the great aim of recovering the nature, environment and biodiversity in this era when man is destroying this earth inch by inch due to his selfishness. Our college, which once was a bare and barren land, was able to create the forest environment we see today because of the selfless service of the previous teachers and volunteers. The Nature Club of our college conducts activities

to make students aware of the importance of nature/environment conservation and the need for biodiversity conservation. Students get an opportunity to learn how the selfish actions of man adversely affect the environment. It is said that nature is the best teacher. It teaches us lessons of survival. Nature has given us an innumerable storehouse of biodiversity and natural resources. Protection of these assets is the need of the hour. It is our responsibility to leave all these for future generations. Nature Club is a dedicated program to create awareness among students, faculty, staff and general public about nature and related topics. Narmada Nature Club is a gathering of nature lovers to promote, monitor and run environmental and sustainable activities in the society, starting from the college campus with innovative objectives of facilitating skill development for environmental conservation and promoting and spreading environmental awareness among all sections of the society. Nature Club also aims to encourage them to participate in invaluable and diverse conservation initiatives aimed at nature conservation.

Activity 1: Food Forest

Food Forest, a project in collaboration with Kerala State Bio-diversity Board and Sreekrishnapuram Grama Panchayath, was officially inaugurated in our college on October 18, 2021 by Ottappalam MLA Adv. K. Premkumar. It was initiated with the technical support of Organic Farmers' Organization, JAIVORG, which is led by the Plant Genome Saviour Award Winner, Sri. Reji Joseph. It is the first such project initiated by Kerala State Bio-diversity Board in an educational institution in Kerala. The Project was initially funded by contributing ₹5,00,000/- and ₹1,50,000 by Kerala State Bio-diversity Board and Sreekrishnapuram Grama Panchayath respectively. The remaining fund was contributed by Management and Sponsorship arranged through Nature Club Volunteers.

Concept of Food Forest

With a view to connect the people with nature and presenting a natural way for balancing the echo-system, a new concept named FOOD FOREST which is conceived by the Organic Farmers' Organization, JAIVORG, which is lead by the Plant Genome Saviour Award Winner, Sri. Reji Joseph at Sreekrishnapuram. The slogan of this Food Forest is One Solution for Seven Mission. Seven missions are 1. Bio-diversity conservation 2. Food security 3. Eco- system restoration 4. Reconnecting human and nature 5. Water preservation 6. Ecological balance and 7. Soil Enrichment. The Concept of Food Forest is a farming system that integrates the views of great Organic farmers Narendra Dabholkar, Subhash Palekar, Masanobu Fukuoka who brought new ideas in the field of agriculture into Permaculture Approach. In order to ensure the Canopy Management, one sapling is planted in every 10 feet distance so that the canopy of one plant will not disturb the canopy of another one that makes this concept a Forest. This project is a forest that gives food at all times which is a combination of pragmatic aspects of traditional and modern agricultural methods that is a golden opportunity for the students to learn and research on the topic of innovative agriculture. This is the main vision and mission of starting such a project in the college. It is essential to retake the lost culture and precious food trees back to our life. We are in deep belief that we can protect the bio diversity through the continuous maintenance of our Food Forest.

Which will help the participants to apply nature inspired algorithms in practice and provide motivation for a deeper study in this area.

SANSKRIT DAY CELEBRATION 2022

संस्कृतदिनम्

World Sanskrit Day, or Viswa Samskrita Dinam is celebrated on every full moon day of the Shraavana month as per the Hindu calendar. It falls in the month of August. In 2022, it was celebrated on 12th August all over the world. The Department of Sanskrit of SVTB College organized Sanskrit Day celebrations with the coordination of staff and students on August 16, Tuesday 2022. The chief guest of the programme was Dr Renuka P C V, Principal, BVNCTE, Kallekkad who inaugurated the programme and gave the keynote address. Sruthi P A., Assistant Professor, Department of Sanskrit, SVTB College welcomed and Dr Parvathy KP addressed the programme. Felicitations are given by Dr Jayan E, Principal, SVTB college, M K Narayanan Namboothiri, ret. HOD of Sanskrit and Dr Saritha Namboothiri, IQAC coordinator, HOD of Computer Science Department, SVTB college. The celebration came to an end with a vote of thanks Rekha P H, guest lecturer Department of Sanskrit. The students of the Department initiated to organize a Sanskrit day celebration on 16/08/2022 with various activities like skit performance, seminar presentation, and chart making. The students performed a skit from Urubhanga Nataka. Five students participated and it was a good learning method for all students. On the same day, a couple of students presented a paper on the Importance of Sanskrit Day with a PowerPoint Presentation. It was a great exposure for the students. The students from the department prepared different charts containing Shlokas from Veda and Upanishads. These charts were displayed on the notice board and were distributed to other departments to promote the value and importance of Sanskrit Day.

RAMAYANAMASA CELEBRATION 2022

The Sanskrit Department of SVTB College Mannampatta organized and celebrated the month of Ramayana. Ramayanamasa, dedicated to Ramayana, aimed to propagate the story and significance of Rama's life. In Kerala, people from traditional beliefs are committed to reading the entire Ramayana during the Malayalam month. Nowadays, a small number continue this tradition in Karkkidakam, primarily in the evening or night, in contrast to the traditional full-day readings.

The department conducted Ramayanamasa from 10/08/2022 to 16/08/2022, featuring various activities such as quizzes, Ramayanaparayana, and classes for HSS students. Dr. Sruthi P. A., a faculty member from the Sanskrit department, organized a quiz on Ramayana, with active

participation from numerous students. Dr. Parvathy K. P., HoD, distributed Valmikiramayana chapters to final-year students for recitation, fostering excitement among them to present in front of their peers.

As part of an outreach program, the department provided an excellent opportunity for students to teach in neighboring schools. Six final-year students conducted awareness classes on two topics: 'Ramakathasudha' and discussing versions of Ramayana. Feedback was collected from Higher Secondary students, who found the program to be a beneficial and relevant learning methodology.

GURUPURNIMA DAY CELEBRATION

The Department of Sanskrit celebrated Gurupurnima to inculcate the tradition of preceptor-disciple relationships and values of loyalty, esteem, and kindness in the hearts of students. On 13 July 2022, an online quiz program based on the history of Sanskrit literature was conducted as a part of this celebration. Besides this, a video-making competition based on the influence of Mahabharata in Sanskrit drama on 15 July 2022 was also arranged. Students were actively involved and participated in all programs. Guru means teacher so it is the celebration of teaching. Teachers are the central point of Gurupurnima. And there is no teacher without a student. Students created wishing cards for their beloved teachers and distributed them at the college. It was an inevitable moment of the programme. The

students and teachers altogether celebrated and made the programme successful through their coordination and support. The Gurupurnima Day Celebration made it possible for the students to analyse the global connection by recognizing Gurupurnima as a shared cultural celebration. It helped the students understand the positive impact of mentor-mentee relationship. It proved to be a profound and enriching experience, fostering a sense of unity, inspiration, and gratitude. It also highlighted the time immemorial relationship of guru and disciple along with its transformative impact on individuals and society. Participants provided positive responses and feedback expressing appreciation for the traditional style of the program with a modern outlook. They also highlighted the value gained from the knowledge-sharing session. The program has a lasting impact that inspire individuals to continue their quest for learning.
