SREE SANKARA TRUST

Sree Sankara Trust was established in 1965 in Peringara, Kerala, by a group of well-wishers from the Namboothiri community, led by founder Chairman Sri P.N. Namboothiri. It is registered under the Literary, Scientific, and Charitable Societies Registration Act of 1955.

The Trust is dedicated to the ideals and philosophies of Jagadguru Sree Sankaracharya, the renowned Indian saint and proponent of the Advaita Philosophy. Its mission is to realign educational and social welfare activities, encouraging the youth of the country to embrace progressive values for a healthy and productive life.

The Trust's first educational institution, Sree Sankara Vidyapeedam College (Government Aided), was established in Perumbavoor near Kalady, the birthplace of Sree Sankaracharya. The land for the college was generously donated by the local Namboothiri community. Affiliated with Mahatma Gandhi University, Kottayam, this college offers courses up to the postgraduate level.

The second college, Sreekrishnapuram V. T. Bhathathirippad College (Government Aided), in Palakkad District, is named after the esteemed social reformer and writer V.T. Bhattathiripad. This college is affiliated with University of Calicut and also provides education up to the postgraduate level.

The third institution, another Sree Sankara Vidyapeetom College, is located in the picturesque Nagaroor valleys of Thiruvananthapuram District. This self-financing college, affiliated with the University of Kerala, sits on a sprawling 30-acre campus, offering tremendous potential for future growth into a prominent educational complex.

Sree Sankara College (Government Aided), in Nagaroor, the fourth institution established by the Sree Sankara Trust, was founded in 2018. Affiliated with the

University of Kerala, SSC offers a range of undergraduate courses. The college is committed to providing quality education and fostering a supportive learning environment.

PROFILE OF THE INSTITUTE

Sreekrishnapuram V. T. Bhattathiripad College, a first-grade Government Aided College, is affiliated with the University of Calicut. Established in 1982, the college serves the rural and backward regions of Sreekrishnapuram in the Palakkad district of Kerala. Named after V. T. Bhattathiripad, a pioneer of social revolution in Kerala, the college aims to promote higher education. Managed by the Sree Sankara Trust, a charitable organization committed to the principles of Adi Sankaracharya, the college upholds the values of the renowned Advaita Vedanta philosopher and theologian of Namboothiri origin.

The college began modestly as a junior college with two Pre-degree Groups. In 1991, it was upgraded to a Degree college with the introduction of a BA in Sanskrit. Further advancements came in 2001 when it was elevated to a First-Grade college with the addition of a M.Sc. in Computer Science. Today, the college offers six Undergraduate Degree courses and three Postgraduate Degree courses.

In recognition of its quality and standards, the college is included under sections 12(B) and 2(f) of the UGC Act 1956, as per the letter No: F8-91/99(CP-P-1) dated 20-03-2000 from the Secretary of the UGC. The college was re-accredited with a B+ grade by NAAC in 2016.

The college's mission is to provide higher education opportunities to students in rural areas, fostering academic excellence and social responsibility. Through its dedication to these ideals, Sreekrishnapuram V. T. Bhattathiripad College continues to contribute significantly to the educational and social landscape of Kerala.

MOTTO

The Upanishad Mantra “तमसो मा ज्योतिर्गमय” (Tamaso mā jyotirgamaya - Lead me from the darkness of ignorance to the Light of knowledge) is the motto of our college.

VISION

“Sreekrishnapuram V. T. Bhattathiripad College aspires to be a leading institution of higher learning, recognized for academic excellence, innovative research with a commitment to positive societal impact and empowering students to thrive in a dynamic global environment.”

MISSION

- To propagate holistic education rooted in Indian culture and heritage, aiming to develop ethically grounded individuals who contribute positively to society.

PRINCIPAL'S DESK

As we embark on another academic year at Sreekrishnapuram V T Bhattathiripad College, I am delighted to share our unwavering commitment to our mission of providing holistic education rooted in Indian culture and heritage. Our goal is to nurture ethically grounded individuals who contribute positively to society. Our commitment to equality and inclusivity ensures that every student has access to quality education and opportunities for growth. The College is committed to providing students with the knowledge and skills necessary to meet the developmental needs of society. We believe in fostering a deep sense of responsibility towards our planet and promoting sustainable practices. By integrating environmental education into our curriculum and implementing eco-friendly initiatives, we aim to create a healthier and more sustainable future for all. We encourage our students to actively participate in community engagement and social welfare activities to create a positive impact on our community and beyond.

I extend my best wishes as we embark on this new academic journey. Let us work together to achieve our goals and make Sreekrishnapuram V T Bhattathiripad College a beacon of excellence in education.

Sincerely,

Dr. Saritha Namboodiri

IQAC COORDINATOR DESK

As the IQAC Coordinator of Sreekrishnapuram V. T. Bhattathiripad College, I proudly emphasize our steadfast commitment to enhancing quality. The Internal Quality Assurance Cell (IQAC) plays a crucial role in establishing a system for conscientious and consistent improvement across all aspects of our college's operations. Our dedication to accountability and transparency ensures that our educational standards meet the highest benchmarks, benefiting our stakeholders - students, parents, teachers, staff, management, funding agencies, and society at large. The IQAC fosters continuous improvement by organizing diverse programs for faculty, administrative staff, and quality circle members. These initiatives are designed to foster professional development and cultivate excellence. Open forums facilitate dialogue between students and staff, creating a feedback loop that enhances the educational experience. Staff assessments conducted by the IQAC provide valuable feedback to enhance the quality of teaching, learning, and research. This process identifies strengths and areas for growth, guiding our strategies for improvement effectively. Additionally, the IQAC meticulously documents and reports college activities to meet higher education standards, ensuring compliance and showcasing our commitment to ongoing enhancement. We diligently monitor infrastructural resources to maintain adequate facilities that support a conducive environment for education, research, and learning.

Through these initiatives, the IQAC remains integral to Sreekrishnapuram V. T. Bhattathiripad College, honoring our founder's vision by nurturing an inclusive, innovative, and excellent educational environment.

With Best Wishes

Dr. Sandeep Narayan

Alumni Association

The alumni network of Sreekrishpuram V T Bhattathiripad College is diverse and influential, encompassing individuals from various sectors including government, non-government organizations, and multinational companies. Some alumni hold positions in legislative bodies and local self-government bodies like panchayats and blocks. They play a pivotal role in the college's development by supporting students financially, facilitating placements in reputed firms, and enhancing infrastructure. Each department has its own alumni association, coordinated under a central alumni association, which monitors and approves activities. Alumni activities include providing financial aid to economically disadvantaged students, rewarding academic excellence, conducting classes as resource persons, funding seminars and workshops, and offering career guidance. They also assist with placements and

provide coaching for competitive exams like NET/UPSC. Sports alumni contribute by training students in sports skills. Future plans include expanding activities beyond Palakkad.

Parent Teacher Association

The Parent-Teacher Association (P. T. A.) is dedicated to cultivating a harmonious relationship and fostering active engagement among teachers, students, and their families. During this period, the PTA orchestrated various initiatives to enrich the school community. They organized significant events like Merit Day celebrations and a comprehensive 3-day Induction Programme, aimed at welcoming and integrating new students. These events not only celebrated academic achievements but also promoted a sense of belonging and camaraderie within the school. Additionally, the PTA played a pivotal role in facilitating the construction of an Open-Air Auditorium, providing a venue for cultural and educational activities that enhance the overall learning experience.

NSS EVENTS

Here are some glimpses of NSS activities conducted outside the Seven Days Special Camp held from 22.12.2023 to 28.12.2023.

1. World Environment Day

On June 5, NSS volunteers carried out a rigorous campus cleaning program. They collected plastic, paper, and food waste scattered around the campus, sorting it into separate bags. Additionally, they visited classrooms to educate students on the importance of proper waste disposal methods both within and outside the college. The event saw participation from 80 volunteers and staff members.

2. World Water Day

As part of the World Water Day celebration on June 8, the documentary "A Plastic Wave" was screened at the college. The event was attended by both NSS

volunteers and other students, receiving an overwhelming response. Attendees expressed surprise at the extent of the threat posed by human activities to the oceans. A total of 85 participants attended the program.

3. Yoga Day Celebration

To celebrate International Yoga Day on June 21, the NSS units organized a special event at Sreekrishnapuram V T Bhattathiripad College. The event aimed to highlight the importance of yoga for maintaining a healthy mind and body. Participants eagerly engaged in various activities, including taking a yoga pledge and participating in a quiz competition. These activities underscored the significance of incorporating yoga into daily routines. The event saw 90 participants.

4. National Reading Day

In celebration of National Reading Day on June 23, a meaningful gathering was organized at the college library. The event aimed to honor the importance of

reading and its impact on personal growth and development. Teachers and NSS volunteers shared their insights on how reading has enriched their lives. The event saw the participation of 60 individuals.

5. Drama and Interaction with Dayabai

On August 6, NSS volunteers of Sreekrishnapuram V T Bhattathiripad College gathered for a thought-provoking drama screening focused on the life and work of renowned activist and environmentalist Dayabai. The event aimed to enlighten students about Dayabai's remarkable journey, her contributions to society, and the profound impact she has had on many lives. The program was attended by 25 participants.

6. Independence Day Celebration

This year, NSS volunteers led the Independence Day celebrations. Lance Naik came to the college to hoist the national flag. He addressed the students,

discussing the significance of the freedom struggle and inspiring a sense of nationalism among the young minds. Following the flag hoisting ceremony, students participated in a campus cleaning drive.

7. Onam Kit Distribution

The NSS (National Service Scheme) units of Sreekrishnapuram V T Bhattathiripad College organized a thoughtful initiative on August 30, distributing Onam kits containing essential items to support the less privileged during the festive season. The event successfully benefited 15 needy individuals and families, with 75 volunteers participating in the effort.

8. Athapookalam

In celebration of Onam, the ELC (Electoral Literacy Club), in collaboration with the NSS (National Service Scheme) units, organized an Athapookalam preparation

event on August 31 at Sreekrishnapuram V T Bhattathiripad College. The event aimed to popularize the ELC club and raise awareness among students about the importance of voting in elections. The program saw the participation of 80 individuals.

9. Survey on Unemployment

Responding to directives from the local Panchayat, NSS volunteers from Sreekrishnapuram V T Bhattathiripad College conducted a thorough survey on September 29 to assess community employability issues. The volunteers meticulously planned and executed the survey, utilizing structured questionnaires and personal interviews. They engaged with individuals from diverse backgrounds, spanning different age groups and educational levels, to gain a comprehensive understanding of the issue. A total of 90 participants contributed to the survey.

10. Poster Making Competition

To mark World Mental Health Day on October 10, NSS units organized a poster-making competition at Sreekrishnapuram V T Bhattathiripad College. The event sought to raise awareness about mental health and emphasize its importance in our daily lives. Participants were encouraged to express their creativity while fostering understanding and empathy towards mental health challenges. A total of 60 participants took part in the program, contributing to a meaningful dialogue on mental well-being through artistic expression.

11. Debate as Part of NSS Selection

NSS organized an inter-collegiate debate on September 25 as part of the selection process for students interested in joining the National Service Scheme. The debate focused on evaluating participants' communication skills, critical thinking abilities, and perspectives on social issues—essential qualities for effective engagement in NSS activities. A total of 100 students participated, showcasing their readiness to contribute meaningfully to community service and societal development.

12. ARUSH Fundraising Programme

On September 25, Daya Charitable Trust, in collaboration with NSS units from Sreekrishnapuram V T Bhattathiripad College, organized a compassionate fundraising event. The initiative aimed to raise funds for Arush, a young individual facing health challenges, to assist with his medical expenses and ease the financial burden on his family. A total of 85 participants attended the program, demonstrating solidarity and support for Arush's welfare.

13. Motivation Class by Ganesh Kailas as Part of Mission 100

On September 21, Mr. Ganesh Kailas, a distinguished motivational speaker and life coach, conducted a transformative motivational session. The class aimed to empower individuals to confront and overcome life's adversities, fostering resilience and determination among the participants. A total of 60 students

actively participated in the session, gaining valuable insights and inspiration to navigate challenges with confidence and positivity.

14. Karunya Viplavam Day

On October 1, as part of Karunya Viplavam Day, Daya Charitable Trust partnered with NSS units from Sreekrishnapuram V T Bhattathiripad College to organize a heartfelt fundraising event. The initiative aimed to collect funds for Arush, a young individual facing health challenges, to support his medical expenses and ease the financial burden on his family. A total of 87 participants attended the program, demonstrating solidarity and compassion towards Arush's well-being.

15. Blood Donation Camp

On October 18, the college NSS units, in collaboration with Sreekrishnapuram Family Health Centre and Blood Bank, Mannarkad, organized a successful blood

donation camp. The event yielded 45 units of blood, with 75 participants contributing to this lifesaving initiative.

16. Naalekku Oru Katir' - Inaguration

On October 20, the inauguration of the 'Nalekku Oru Katir' program took place at the college premises, led by Prof. P. Haridas, Head of the Department of Statistics. The program aims to cultivate a passion for agricultural practices among young minds and encourage them to reconnect with agriculture. NSS volunteers actively participated in the event, with a total of 75 participants joining to support this initiative.

17. Meri Maati Meri Desh

On October 20, Sreekrishnapuram V T Bhattathiripad College, in collaboration with Ideal Arts and Science College, Cherupullasery, conducted the "Meri Maati Meri Desh" program to honor our brave men and women who sacrificed their lives. The event included a grand rally with over 200 NSS volunteers from both colleges participating actively. A total of 80 participants attended the program.

18. Programme on Advantages of Hygiene in Menstrual Cup Usage

On October 25, a talk was organized for NSS volunteers in collaboration with Sreekrishnapuram Family Health Centre. The session focused on educating volunteers about the benefits of using menstrual cups for personal hygiene.

19. Kanal Fest

Kanal Fest was conducted in collaboration with Women and Child Development Department, Government of Kerala along with Women Development Cell and IQAC of VTB College on February 26, 2024 to raise awareness regarding women empowerment and gender sensitivity. Lectures, debates and cultural programmes were conducted.

20. Complete Voters Campus Campaign

In February 2024, the NSS units, along with the Electoral Literacy Club and the College Union, collaborated to transform our campus into a complete voter's campus. Together, they organized a voter registration campaign aimed at helping students obtain their voter IDs. Students were notified in advance to bring the required documents for registration. Already registered students manned multiple registration desks, ensuring convenience for all participants. This well-coordinated effort resulted in a highly successful event.

21. Sneharamam

On March 12, 2024, as part of the Sneharamam initiative led by the Panchayat, NSS volunteers undertook a cleanup effort at the bus stop waiting shelter and its surroundings. The area had been marred by overgrown thorny plants and littered with beer bottles and other plastic items discarded by anti-social elements. The volunteers diligently cleared the area and installed two metal waste boxes to ensure its cleanliness in the future. A total of 12 volunteers participated in this initiative.

22. Palliative Care programme: Helping hand to Appu

Appu, a palliative care patient since a 2020 accident, remains confined to his room, unable to move due to his condition. The intense March heat compounds his discomfort, making his situation nearly intolerable. In a touching display of compassion, 50 NSS volunteers undertook fundraising activities to alleviate his plight. Their joint efforts successfully raised funds to install a false ceiling in Appu's room, aimed at reducing the oppressive heat and improving his comfort. This gesture of kindness brought tangible relief to Appu on March 25, 2024.

TRAINING PLACEMENT CELL INITIATIVES

Work Readiness Programme

The **Work Readiness Programme** is a 15 - hour module designed to provide direction to candidates to improve their interview skills and articulate their thoughts confidently in front of an interview panel. The module is inclusive of interview etiquette, resume preparation, presentation skills, group discussions, job-related Q & A, soft skills, etc. The programme was rolled out by the Kerala Knowledge Economy Mission (KKEM), in collaboration with ASAP Kerala. The primary objective of KKEM is to guide the youth of Kerala so that they can directly engage in

opportunities from across the world, creating employment for over 20 lakh people. As a first step, KKEM had conducted a series of physical job fairs. It was found that jobseekers lacked confidence and interview skills while presenting themselves before interview panels, and thus felt the need for proper interview grooming for jobseekers. In this context, KKEM decided to include work readiness programmes as a mandate to assist aspirants. The trainees are required to register at Digital Workforce Management System (DWMS) for considering their candidature for placement drive conducted by KKEM.

Phase 1

Work Readiness Programme (First Phase 2023 - 2024) was conducted at College Campus for S6 UG students of Business Administration, Economics and Commerce and S4 PG students of Computer Science and Mathematics with Data Science on 11, 12, and 13th December 2023 (10.00 am to 3.30 pm). The inauguration of WRP First Phase held at Seminar Hall on 11 December 2023 by Principal Dr. Saritha Namboodiri. IQAC Coordinator Dr. Sandeep Narayan, Training and Placement Coordinator Dr. Vivek S. A., ASAP Coordinator Dr. Remya S., felicitated the occasion.

Diploma in Computer Applications (DCA) Course

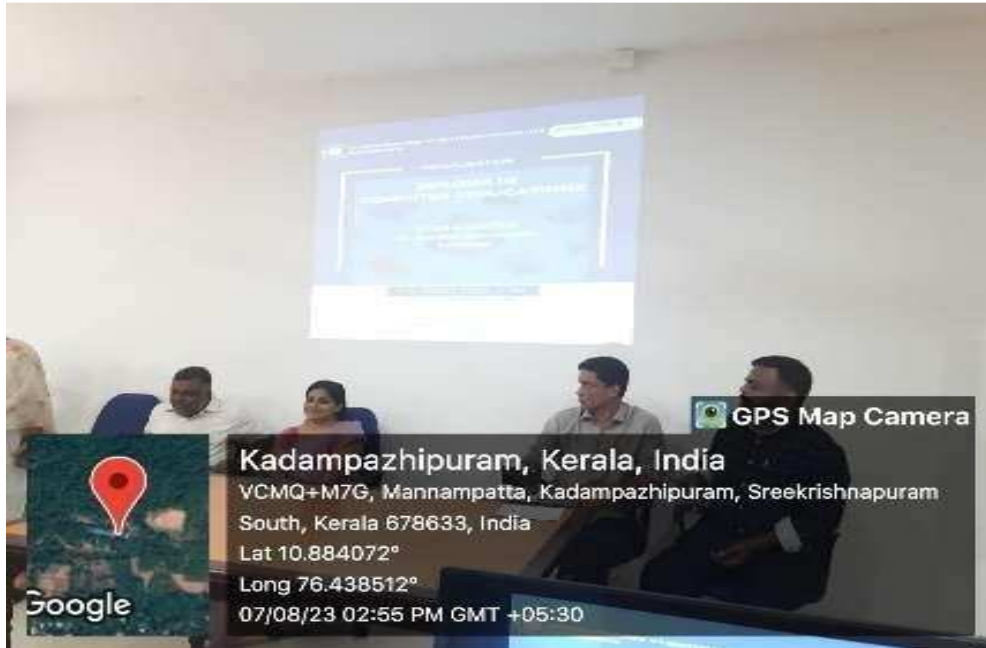

Diploma in Computer Applications (DCA) course of KELTRON inaugurated on August 7, 2023. Department of Computer Science conducted the course and Department of Management administers the program. This event marks the beginning of an enriching journey for participants eager to acquire essential skills in computer applications.

DCA course is designed to provide comprehensive training in various aspects of computer applications. Participants will learn fundamental concepts of computer software, programming languages, database management, and office automation tools. The course curriculum is structured to equip learners with practical skills necessary for career advancement in the IT industry. The highlights of the function include:

- **Inaugural Address:** The inauguration ceremony will commence with an inaugural address by Principal Dr. Saritha Namboothiri, highlighting the importance of computer literacy and the scope of opportunities in the IT sector.

- **Course Structure:** Participants will receive an overview of the DCA course structure, including modules, assessments, and practical sessions. Faculty members will outline the learning objectives and career prospects associated with completing the program.
- **Interactive Session:** An interactive session will allow prospective students to interact with faculty members and industry experts, gaining insights into the course curriculum and career pathways in computer applications.
- **Registration Information:** Interested individuals can register for the DCA course during the inauguration event. Limited seats are available, so early registration is encouraged.

Thirteen Undergraduate Students registered for the DCA course and successfully completed the same.

Computer Literacy Day Celebration

The Department of Computer Science is delighted to announce its celebration of Computer Literacy Day on December 2, 2023. This event aims to highlight the importance of digital literacy in today's interconnected world. Through a series of engaging activities and informative sessions, participants will have the opportunity to enhance their understanding of various aspects of computer literacy. The event highlights are:

1. **Workshops and Demos:** Interactive workshops will cover essential digital skills such as basic programming concepts, internet safety, and using productivity software effectively. Live demonstrations will showcase emerging technologies and their practical applications.
2. **Guest Speakers:** Renowned experts from academia and industry will share insights on the significance of computer literacy in modern society, emphasizing its role in education, business, and everyday life.
3. **Hands-on Sessions:** Participants will engage in hands-on sessions where they can explore cutting-edge software tools, programming languages, and digital resources under the guidance of experienced faculty members.
4. **Panel Discussions:** Thought-provoking panel discussions will address current trends and challenges in digital literacy, fostering a deeper understanding of how technological advancements influence global communities.
5. **Networking Opportunities:** Attendees will have the chance to network with peers, faculty members, and industry professionals, creating connections that can support their ongoing learning and career development.

Certificate Course on Machine Learning

The Department of Computer Science is pleased to announce a comprehensive certificate course on machine learning on December 4, 2023, designed to equip participants with essential skills and knowledge in this rapidly growing field. Machine learning has revolutionized industries by enabling computers to learn from data and make decisions or predictions based on that learning. The course will be delivered through a series of lectures, practical sessions, and projects. Topics covered will include:

- Introduction to machine learning and its applications
- Supervised learning (classification and regression)
- Unsupervised learning (clustering and dimensionality reduction)
- Evaluation metrics and model selection
- Hands-on exercises using popular machine learning libraries and tools

Participants who successfully complete the course requirements, including assignments and a final project, will receive a certificate of completion from the Department of Computer Science.

SOFTWAVE 2023

Students of M.Sc. Computer Science, Department of Computer Science, Sreekrishnapuram VT Bhattathiripad College have developed games and apps for differently abled students as part of their final year Project work in association with ZENDALONA, an organization providing accessibility solutions for the differently abled people. Projects were developed with aim of promoting and inculcating FOSS culture among students. These games are primarily audio-based, that enhance the mathematical and cognitive skills of visually challenged students.

Projects:

- Online Braille Translator Developed by Jithesh M.
- Braille Translator GUI Developed by Greeshna P.
- Maths Tutor Developed by Roopasree A.P.
- Accessible Bluff Developed by Aswathi P.
- Accessible Snakes and Ladders Developed by Archana V. S.

National Workshop

Machine Learning Algorithms: Real-world Applications and Research Trends

The Department of Computer Science successfully conducted a National Workshop on Machine Learning Algorithms from March 11 to 13, 2024. This workshop served as a platform for participants to delve into advanced machine learning techniques and explore their practical applications across diverse domains.

Workshop Highlights:

Expert Sessions: Renowned researchers and industry leaders delivered insightful keynote speeches and specialized sessions on cutting-edge machine learning algorithms. Topics covered included deep learning, reinforcement learning, natural language processing, and more.

Hands-on Workshops: Participants engaged in practical, hands-on workshops where they applied machine learning algorithms to real-world datasets. These sessions focused on implementation strategies, model evaluation, and optimization techniques.

Faculty Development Programme:

IQAC, Sreekrishnapuram V.T. Bhattathiripad College Organized a One Week Online FEP on MOOC & E-Content Development, by from 16-20-10-2023, 25-10-2023 & 18-01-2024.

Panel Discussions: Interactive panel discussions provided a forum to discuss emerging research trends and address challenges in the field of machine learning. Topics such as AI ethics, interpretability, and scalability were thoroughly explored.

Research Presentations: Attendees had the opportunity to present their research findings and innovative solutions in machine learning algorithms. This segment facilitated knowledge sharing and collaboration among participants.

Networking Opportunities: The workshop facilitated networking among participants, enabling connections with peers, mentors, and potential collaborators in the machine learning community.

The workshop attracted researchers, academicians, graduate students, and professionals from diverse backgrounds interested in advancing their knowledge of machine learning algorithms and exploring new research avenues. Participants gained valuable insights into advanced machine learning techniques, practical implementation strategies, and current research trends. The workshop fostered collaboration and knowledge exchange, contributing to the development of innovative solutions in AI and machine learning.

FACULTY ACHIEVEMENTS
