Introduction

A Gender Sensitization Action Plan is a strategic framework that outlines specific steps to promote gender equality, challenge gender stereotypes, and address gender-based disparities within an institution. It aims to create a gender-inclusive environment, fostering respect, understanding, and equal opportunities for all individuals, regardless of their gender. By implementing this action plan, Sreekrishnapuram V.T. Bhattathiripad College demonstrates its commitment to fostering a gender-inclusive environment, promoting equality, and empowering students, faculty, and staff to become active agents of change. The Women Development Cell (WDC) is responsible for carrying out the Gender Sensitization Action Plan in the college. The WDC is a committee that focuses on promoting gender equality, empowering women, and addressing gender-related issues within the college community.
