Introduction

Sreekrishnapuram V T Bhattathiripad College has upheld an inclusive policy ever since its inception, treating with equal respect and dignity, the staff and students from all faiths and sections of society. The spirit of inclusivity is even more evident in the efforts taken by the institution to make the campus conducive to the special needs of the differently abled students. The aim is to provide a learning ecosystem that maximizes opportunities and minimizes barriers in their journey towards knowledge acquisition, employment and self-sufficiency.

The college adheres strictly to 'the Rights of Persons with Disabilities Act of 2016, which prohibits all forms of discrimination against individuals with physical and mental disabilities. This policy aims to ensure that all individuals with disabilities are aware of their rights, scholarship opportunities, and facilities provided by the legislation. The policy acknowledges that disabled staff and students are a fundamental component of the institution.

The measures taken are as follows:

- The admission process for specially challenged students adheres to the guidelines set by the University of Calicut.
- The scribe facility for examinations is provided to individuals who are visually impaired as well as those with motor disabilities.
- Wheelchair facilities will be provided upon request.
- Faculty members offer individualized attention and scaffolding to students in order to support their academic endeavors.
- The college assesses the educational requirements of disabled students, determines the appropriate assistive devices, and arranges for their procurement.
- The college commemorates significant occasions pertaining to disabilities, including the International Day of Persons with Disabilities.
- The college is prioritizing the fulfillment of their requirements and actively engaging in project work that is directly pertinent to those requirements.
- The college has implemented a policy to ensure inclusivity for Divyangjans on campus and has initiated a renovation program that incorporates the construction of ramp facilities.

Initiatives at Sreekrishnapuram V T Bhattathiripad College

Providing ramps in the building of the college to ensure ease of access to the disabled students.

- Provide wheel chair facility to disabled students.

Fixing special attachments in the washrooms to provide safety, security and ease of use.

- Placing signboards in different parts of the campus to guide the students

Allotting scribes and extra time during internal and external exams.

The computer science department developed software for differently abled persons.

These initiatives run smoothly with the committed involvement of the staff and students, who are sensitized during the Value Education hours and other sessions, to desist from discrimination and to make inclusivity a policy for life.

Wheelchairs for Disabled Persons

The college has made a significant commitment to accessibility by providing wheelchairs for disabled persons. This thoughtful provision ensures that students with mobility impairments can navigate the campus with ease and participate fully in academic and extracurricular activities.

Wheel Chair for Disabled Student

Ramp and Rail

The college has installed ramps and rail facilities to ensure easy access and mobility for persons with disabilities. This infrastructure support enables students with physical disabilities to navigate the campus with ease and independence.

Ramp and Rail

Disabled Friendly Toilet

The campus has taken a significant step towards inclusivity with the installation of a disabled-friendly toilet facility, ensuring equal access and convenience for all students, faculty, and staff with disabilities. The disabled friendly toilet is located at Administrative Block.

Software for Differently Abled Persons

The computer science department developed software for differently abled persons. Students of MSc Computer Science, Sreekrishnapuram V. T. Bhattathiripad College have developed games and apps for differently abled students as part of their final year project work in association with ZENDALONA, an organization providing accessibility solutions for differently abled people. Projects were developed with aim of promoting and inculcating FOSS culture among students. These games are primarily audio based, that enhance mathematical and cognitive skills of visually challenged students.

The innovative projects conceived by the students include:

1. Online Braille Translator
2. Braille Translator GUI
3. Online Accessible Bluff
4. Maths Tutor
5. Accessible Snakes and Ladders

ABOUT THIS PROGRAMME

Students of M.Sc. Computer Science, Department of Computer Science, Sreekrishnapuram VT Bhattathiripad College have developed games and apps for differently abled students as part of their final year Project work in association with ZENDALONA, an organization providing accessibility solutions for the differently abled people. Projects were developed with aim of promoting and inculcating FOSS culture among students. These games are primarily audio- based, that enhance the mathematical and cognitive skills of visually challenged students.

We are planning to organize the launch of these software tools on 20th December 2023, 9.30 AM at Sreekrishnapuram V T Bhattathiripad College. We are delighted to invite you to the official launch event . This exciting milestone represents months of hard work and innovations by our students and we would be honored to have you join us in celebrating its successful completion.
