Introduction

One of the institution principles is to keep the campus in pristine condition in order to provide a conducive environment for academic and non-academic interests. All stakeholders follow good hygienic practices as well as a comprehensive waste management plan. The core concern is to reduce, reuse and recycle wastes generated in the campus.

The college has different dustbins for different types of waste, such as biodegradable, recyclable and non-degradable. Green, Blue and Red bins have been provided across the campus for the collection of solid waste generated at different sources in the college. Organic waste is disposed of in vermi - compost pits and processed and reused as manure for the plants and trees inside the campus. Incinerators are also installed in the campus for the disposal of solid waste. Plastic usage is prohibited on campus so as to create a plastic-free zone.

For liquid waste management, the water transport system is inspected for leaks in pipes, taps, valves and other components on a regular basis and promptly repaired.

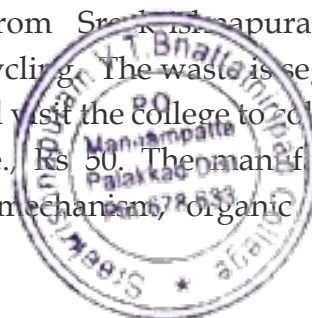

The Physical Education department has a first aid medical kit, where students are more susceptible to minor injuries. The kit's waste such as cotton gauze and plaster are disposed along with non-degradable wastes. Sanitary Napkin Destroyer is provided for biomedical waste disposal.

All E-Wastes such as computer, its accessories and all electronic wastes are collected and discarded through the authorized vendor to ensure no hazard to the environment.

The college has well maintained and pollution free environment because of meticulously following the green and waste management systems.

Waste Disposal with Sreekrishnapuram Grama Panchayath

The Haritha Karma Sena collects non-biodegradable waste from Sreekrishnapuram V T Bhattathiripad College and establishments to shredding units for recycling. The waste is segregated into different sections based on its features. Kudumbasree worker will visit the college to collect non-biodegradable waste. The collection will be based on user fee i.e., Rs 50. The manufacture of environment-friendly materials, maintenance of waste disposal mechanism, organic farming,

environment-friendly equipment on rent and compost making and associated works will be taken up by Haritha Karma Sena members from Sreekrishnapuram Grama Panchayath.

Certificate of Appreciation from Sreekrishnapuram Grama Panchayath for Waste Management and Preservation of Water resources

Solid Waste Management - Incinerator

Incinerator are installed at two locations in the campus so as to help students and staff to decompose their garbage in an eco-friendly manner. The system aids to keep the campus clean and garbage free. Incinerator fixed in the eastern side, near the rest room. This is used to dispose the biodegradable waste

Name of Facility	Incinerator
Year of Establishment	2018

Incinerator

Solid Waste Management - Compost Ring

The Vermi-compost unit in the college premises is used for the decomposition process of the food wastes, organic wastes and biodegradable wastes. Vermi compost can be used to enrich soil in college gardens, flower beds, and landscaping projects. It improves soil structure, increases nutrient availability, and supports healthy plant growth. Colleges can advance their sustainability initiatives while providing valuable educational and practical experiences for their community.

Name of Facility	Vermi Compost Unit
Year of Establishment	2019
Capacity	One ton

Compost Ring

Solid Waste - Storage Cages

Effective solid waste storage is crucial for managing waste efficiently and sustainably on a college campus. NSS units in the college ensure that waste storage areas are cleaned and maintained to prevent odors, pests, and safety hazards. Separate storage spaces are allocated to collect e-waste and plastic waste that are collected on a regular basis. The wastes thus collected are handed over to local vendors for disposal.

Name of Facility	Solid waste storage Cages
Year of Establishment	2019

Solid Waste - Storage Space

Waste Bins

Sreekrishnapuram VT Bhattathiripad College has implemented a robust waste management system by providing separate waste bins for different types of waste. This initiative encourages segregation at source, ensuring that waste is disposed of in an environmentally friendly manner.

Separate bins are provided for:

- Bio waste (food, organic waste, etc.)
- Paper waste (newspapers, notes, etc.)
- Non-Biodegradable Waste (bottles, bags, etc.)

Name of Facility	Waste Bin
Year of Establishment	2019
Capacity	60 Litre

Non-Biodegradable Waste

Paper Waste Bin

Bio Waste Bin

Incinerator - Sanitary Napkin Destroyer

College has implemented an effective waste management system with the installation of an incinerator facility, specifically designed for the disposal of sanitary waste. This eco-friendly initiative ensures the safe and hygienic disposal of sanitary pads, reducing the risk of environmental pollution and health hazards. The incinerator facility is an integral part of the college's comprehensive waste management strategy, which aims to minimize waste, promote sustainability, and maintain a clean and healthy campus environment.

Name of Facility	Incinerator
Year of Establishment	2015

Incinerator

Liquid Waste Management

The college has a proper sewage system to divert the liquid waste to the waste pits. It facilitates to maintain a clean campus and to prevent water clogging in the campus premises. College Use durable, properly sized pipes and fittings to ensure efficient waste flow and minimize blockages. Regularly inspect and maintain connections to prevent leaks and damage.

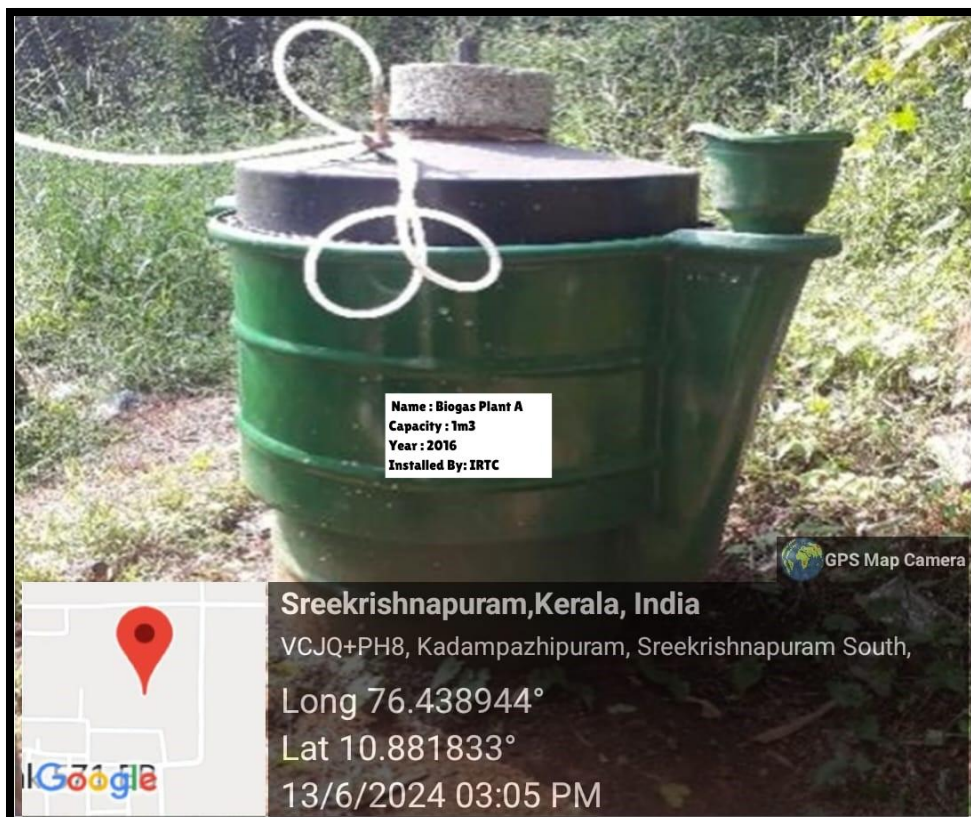

Sewage System in college

Biogas Plant

The college established a biogas plant with a capacity of 1m³, installed by Integrated Rural Technology Centre (IRTC), Mundur, Palakkad in 2016, to generate biological gas for cooking purposes in the college canteen. This eco-friendly initiative provides a sustainable alternative energy source. Additionally, the biogas plant effectively utilizes food waste and other organic materials, ensuring proper waste management and minimizing waste disposal issues.

E-waste Management

Our college has successfully partnered with Green Era Recyclers since 2021 to manage electronic waste (e-waste), resulting in the collection and responsible recycling of a significant amount of e-waste generated on campus as of 2024, thereby reducing our environmental footprint and promoting sustainability through this eco-friendly initiative.

Name of Facility	E-waste Collection by Green Era Recyclers
Year of Establishment	2021

Awareness Class on E-waste Management

On September 20, 2023, our college hosted an awareness class on e-waste management, conducted by Mr. Adhil from Green Era Recyclers, with whom we have a Memorandum of Understanding (MoU). The session aimed to educate students about the importance of responsible electronic waste disposal and its impact on the environment.

WHEREAS;

1. **Green Era Recyclers (GER)** is an **e-waste management firm** authorized by the Tamil Nadu Pollution Control Board & Central Pollution Control Board to safe handling of electrical and electronic waste as per **E-waste Management Rules, 2022 for 6000MT.**
2. GER is operating a facility for the collection, transportation, dismantling, recycling and disposal of e-waste at Village S.F. No.91/1B, Seerapalayam village, Coimbatore South Taluk, Coimbatore authorized by Tamil Nadu Pollution Control Board.
3. Client in compliance of the E-Waste Management Rules, 2022, desires to avail the services of GER for disposal of their segregated E-Waste, more fully detailed hereinafter under this agreement.
4. Client has approached GER and desires to appoint GER for the purpose of collection and disposal of its segregated E-Waste and the same has been accepted by GER in accordance with the terms of this agreement.
5. This E-waste Agreement will **consider being valid only if the stamp sheet is in GER's name along with its Authentication Number.**

NOW THIS AGREEMENT witnesses as follows;

I. DEFINITIONS

E-waste: E-waste means electrical and electronic equipment, whole or in part discarded as waste, as well as rejects from manufacturing, refurbishment and repair processes,

There are items listed in each category under **schedule-1 of E-waste Management Rules-2022.**

- a. Information Technology & Telecommunication Equipments
- b. Consumer Electrical and Electronic & Photovoltaic panels.
- c. Large & small Electrical and Electronic Equipment.
- d. Electrical and Electronic Tools.
- e. Toys, Leisure & Sports Equipment.
- f. Medical Equipment.
- g. Laboratory Equipment.

II. SCOPE OF THE AGREEMENT

CHANNELISATION

- **Client** shall segregate the E-waste at one designated place within the premises from where the representatives of GER shall collect the E-Waste.
- Client shall appoint a dedicated representative who shall be responsible for operational, delivery and day to day management of the service and act as the principal point of contact under this agreement.
- Any notice seeking clarification served on such representative shall be deemed to have been served on the Party concerned.
- The representative of client shall sign Form 6 under the compliance of the E-Waste Management Rules, 2022 and such other required documents for acknowledging the E-Waste being handed over to GER.
- Upon intimation from client, GER shall within 15 days there from, arrange for collection of e-waste as per the applicable provisions. **Client** shall issue delivery challan before collection of the e-waste from the designated place by GER.
- The E-Waste collected shall be weighed by the Parties at the nearest weighment center available as identified by the Parties. The weighment of the E-Waste shall be done in presence of the representatives of both Parties and both the Parties shall acknowledge such weighment slip generated. In case of any discrepancy in the weight as per delivery challan and the weighment slip, the details as per weighment slip shall be considered as the payment to be done by GER.

നിയമപരമായ കോളേജ്
അദ്ധ്യക്ഷൻ, ഹരികോട് - 671

TRANSPORTATION

- **Client** required to have minimum disposal weight as below
 - **350kgs** of E-waste within **Coimbatore/any of GER warehouse <=50 KM (or)**
 - **1000kgs** of e-waste **>=50 KM of the nearest GER warehouse**
 - **2000kgs** of E-waste **outside Tamilnadu**
 - If the **quantity is less** than the mentioned, then it is the responsibility of the **client to transport** the e-waste to GER warehouse at the specified location (for eg : Chennai, Salem, coimbatore) or GER will make arrangements for transportation and will be billed as procurement charges to the **Client**.

PROCESSING

- GER shall collect, transport, recycle the E-Waste collected from the premises of client. It shall be the responsibility of GER to demagnetize the hard disks before disposing them off in accordance with the terms of the contract.
- However Hazardous components such as CFL, fluorescent bulbs, LED Lights and other Light fittings are subjected to certain terms and condition as mentioned in the payment section.

E-WASTE DISPOSAL CLAUSE [w.r.t weight]

The client should dispose **minimum 350 kgs or above** of e-waste within Coimbatore, **1000 kgs** outside Coimbatore and atleast **2000 kgs** outside Tamilnadu in the agreement signed financial year to receive the agreement renewal at free of cost for the subsequent financial year.

COMPLIANCE

- **Client** liability shall be ceased once the E-waste material has been collected by GER from the client premises, except for any non-disclosure of the material information to GER during the handover of E-waste materials. It is specifically agreed and understood that compliances of applicable law during transportation and disposal of E-waste shall be exclusively responsible of GER Recyclers.
- GER shall issue a Recycling certificate as prescribed under applicable laws within Thirty (30) days from receipt of such request.
- The **compliance document** will be provided by GER after collection and recycling of the collected e-waste (30 days from the receipt of e-waste disposed) such as **Form-6, Form-2, Certificate of Recycling & Sustainability Report through link**.

AWARENESS

The **E-waste Awareness Program** can be availed by the client with **prior information to GER** at Client Premises or through online mode.

III. PAYMENTS

CLAUSE FOR NEW AGREEMENT

- Client shall subscribe by **paying Rs.5000 plus 18% GST yearly** for each unit to avail the services of GER for E-waste disposal (applicable for new agreement only)

CLAUSE FOR AGREEMENT RENEWAL

- During an agreement signed period, if the client has disposed the e-waste materials as mentioned under the **E-waste disposal clause section**, the agreement renewal fee for upcoming year will be waived off. **If material disposed is less** than the mentioned, **Agreement renewal fee of Rs.3000+18% GST** will be charged from the client.
- GER shall pay for the e-waste as agreed at the time of agreement/at the time of disposal. However, the client will be charged for the below mentioned material disposal.

a.	CFL, Fluorescent Tubes, LED's & other Lighting Equipments	Rs.120/kg
b.	Cartridges	Nil Value

- The payment shall be made by GER within three (3) working days of the collection of E-waste **via Aggregator transfer/ cheque**.

IV. TERM AND TERMINATION

1. This Agreement shall be in force for a period of **1 year** from the date of signing of this Agreement. Upon completion of the term, the Agreement may be renewed at the option of both the Parties in writing on mutually agreed terms and conditions.
2. Green Era Recyclers will issue a written notice if the Agreement is not renewed for six months from the expiry date.
3. The Agreement shall be terminated by either of the party without assigning any reasons; the written notice has to be given fifteen (15) days prior to the other party.

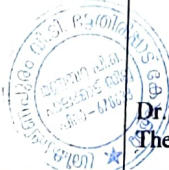

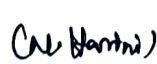

V. COMPLIANCE WITH LAWS

1. GER represents and warrants to **client** that it has all necessary statutory permissions, consents, approvals and licenses to carry out business of collection, transportation, storage, management and disposal of E-Waste and it shall maintain all such permissions, consents, approvals and licenses during the term of this Agreement.
2. GER further agrees that:
 - i. It shall exercise all safety precaution and best management practices required by law, in providing service under this Agreement.
 - ii. It shall notify client immediately if any permit, licenses, certificate, consent approval or identification number required for the performance of its service under this Agreement has been revoked, modified, expired, suspended or not been renewed.
 - iii. GER shall comply with all applicable laws, rules and regulations and shall indemnify and hold Client harmless in this regard.

VI. DISPUTE RESOLUTION

1. This Agreement shall be governed and construed in accordance with the laws of India.
2. Any dispute or breach arising out of or in relation to this Agreement shall be referred to arbitration to be conducted by a sole arbitrator mutually appointed by the parties herein, in accordance with the Arbitration and Conciliation Act, 1996. The venue of arbitration shall be Coimbatore and the proceedings shall be conducted in English. The decision of the arbitration shall be final and binding on both the Parties. No Party shall make public the award of the arbitration without the prior written consent of the other Party. The Party who has raised the dispute shall bear the cost of arbitration.
3. Subject to the arbitration provisions herein, courts of competent jurisdiction in Coimbatore shall have the exclusive jurisdiction on the matters arising out of or in connection with this Agreement. No Party shall be restrained from approaching the court for seeking interim relief under this Agreement

IN WITNESS WHEREOF, this agreement has been signed and executed by the duly authorized representatives of each Party hereto on above mentioned date.

3. CLIENT shall segregate the E-Waste at one designated place within the premises from where the representatives of Green Era shall collect the E-Waste.
4. CLIENT is required to have at least 350 Kgs of E-waste in possession to be considered eligible for transportation by Green Era.
If the quantity is less than the mentioned, then it is the responsibility of the Client to transport the e-waste to Green Era Facility.
5. Upon intimation from CLIENT, Green Era shall within 15 days there from, arrange for collection of E-Waste as per the applicable provisions. CLIENT shall issue delivery challan before collection of the E-Waste from the designated place by Green Era.
6. The E-Waste collected shall be weighed by the Parties at the nearest weighment center available as identified by the Parties. The weighment of the E-Waste shall be done in the presence of the representatives of both the Parties and both the Parties shall acknowledge such weighment slip generated. In case of any discrepancy in the weighment as per delivery challan and the weighment slip, the details as per weighment slip shall be considered for payment by Green Era.
7. CLIENT liability shall cease once the E-Waste has been collected by Green Era from its premises except for any non-disclosure of any material information known to CLIENT with regard to E-Waste from Green Era during the handover of such E Waste. It is specifically agreed and understood that compliances of applicable law during transportation and disposal of E-Waste shall be exclusive responsibility of Green Era.
8. Green Era shall, issue a Recycling certificate as prescribed under applicable laws within Thirty (30) days from receipt of such request.

III. INDUSTRY-ACADEMIA COLLABORATION SCOPE:

1. Green Era agrees to provide awareness support to Client by conducting E-waste management program.
2. Green Era Permits for industrial visits to students of Client pertaining to the scope to its factory premises by suitable mentors from either side with prior approval from concerned authorities.
3. Green Era agrees to share their resource and skill sets with Client by involving students and faculties to take up collaborative academic/industry projects with mutual benefit.
4. Green Era supports in curriculum framing pertaining to E-waste management for specific under graduate programs offered by Client.

IV. TERM AND TERMINATION

1. This Agreement shall be in force for a period of 1 year from the date of signing of this Agreement. Upon completion of the term, the Agreement may be renewed at the option of both the Parties in writing on mutually agreed terms and conditions.
2. The Agreement may be terminated by either party without assigning any reason, by giving fifteen (15) days prior written notice to the other Party.

V. COMPLIANCE WITH LAWS

GSTIN 33AAQFG7914D1ZE

1. Green Era represents and warrants to CLIENT that it has all necessary statutory permissions, consents, approvals and licenses to carry out business of collection, transportation, storage, management and disposal of E-Waste and it shall maintain all such permissions, consents, approvals and licenses during the term of this Agreement. .
2. Green Era further agrees that:
 - i. It shall exercise all safety precaution and best management practices, required by law, in providing service under this Agreement.
 - ii. It shall notify CLIENT immediately if any permit, licenses, certificate, consent approval or identification number required for the performance of its service under this Agreement has been revoked, modified, expired, suspended or not been renewed.
 - iii. Green Era shall comply with all applicable laws, rules and regulations and shall indemnify and hold Client harmless in this regard.

VI. DISPUTE RESOLUTION

1. This Agreement shall be governed and construed in accordance with the laws of India.
2. Any dispute or breach arising out of or in relation to this Agreement shall be referred to arbitration to be conducted by a sole arbitrator mutually appointed by the parties herein, in accordance with the Arbitration and Conciliation Act, 1996. The venue of arbitration shall be Coimbatore and the proceedings shall be conducted in English. The decision of the arbitration shall be final and binding on both the Parties. No Party shall make public the award of the arbitration without the prior written consent of the other Party. The Party in default shall bear the cost of arbitration.
3. Subject to the arbitration provisions herein, courts of competent jurisdiction in Coimbatore shall have the exclusive jurisdiction on the matters arising out of or in connection with this Agreement. No Party shall be restrained from approaching the court for seeking interim relief under this Agreement.

IN WITNESS WHEREOF, this Agreement has been signed and executed by the duly authorized representatives of each Party hereto on above mentioned date.
